Subject: Flu Clinic

Good morning,

We are providing some final catch up clinics for flu vaccinations. Could we kindly ask for a notification to be sent out to parents; to contact our service at the earliest convenience if they would like their child to receive the flu vaccination, if they have not yet received it since September 2021.

The clinics are running on an appointment basis; therefore, details will be given to parents/guardians when they call our service.

Many thanks,  
Nikki
