## Park View School

Together We Grow Stronger

Dear Parent/Carer,

### RE: Mobile Phones and School Uniform

Further to previous letters this is just a reminder regarding our policy on mobile phones and school uniform.

**Mobile phones should not be brought into school.** If students forget they can hand them in to the office at the start of the day.

With safeguarding at the forefront of everything we do, as stated in previous letters we have taken the difficult decision to ban student phones in school.

Mobile phones should not be seen in school, students not complying with this will be asked by staff in line with the schools policy to hand it in and it will be returned at the end of the school day. Following this students will be subject to a pocket search in subsequent days.

Any student refusing to hand in a mobile phone will be spoken to by senior staff, parents/carers will be invited into school to discuss the matter further.

We would also like to remind parents/carers that school uniform is compulsory. All students should wear a white polo top and a navy blue Park View School sweatshirt, either school trousers or black jogging pants with no stripes or logos on them. Girls can also wear gym/sport type leggings (plain black) that are appropriate for school.

The school polo shirt and jumper can be ordered from school. For those students who are transported in, they will not be allowed on school transport unless they are wearing a uniform. For students who travel independently, they will also not be allowed in school unless wearing a school uniform.

We hope that like us, you agree that removing such distractions (mobile phones) and wearing uniform for school will help support your child's progress academically and that you will support us by discussing this with your child.

Yours faithfully

Dave Borrell
