Exam Contingency Plan

Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at Prudhoe Community High School. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by scenarios contained in the *Joint contingency plan in the event of widespread disruption to the examination system in England, Wales and Northern Ireland*.

This plan complies with JCQ general regulations (section 5) in that:

The centre agrees to “have in place a written examination contingency plan/examinations policy which covers all aspects of examination administration. This will allow members of the senior leadership team to have a robust contingency plan in place, minimising risk to examination administration, should the examinations officer be absent at a crucial stage of the examination cycle;”

Causes of potential disruption to the exam process:

1. Exam officer extended absence at key points in the exam process (cycle)

Key tasks required in the management and administration of the exam cycle not undertaken including:

Planning

- annual data collection exercise not undertaken to collate information on qualifications and awarding body specifications being delivered
- annual exams plan not produced identifying essential key tasks, key dates and deadlines
- sufficient invigilators not recruited and trained

- awarding bodies not being informed of early/estimated entries which prompts release of early information required by teaching staff
- candidates not being entered with awarding bodies for external exams/assessment
- awarding body entry deadlines missed or late or other penalty fees being incurred

Pre-exams

- exam timetabling, rooming allocation; and invigilation schedules not prepared
- candidates not briefed on exam timetables and awarding body information for candidates
- exam/assessment materials and candidates' work not stored under required secure conditions
- internal assessment marks and samples of candidates' work not submitted to awarding bodies/external moderators

Exam time

- exams/assessments not taken under the conditions prescribed by awarding bodies
- required reports/requests not submitted to awarding bodies during exam/assessment periods e.g. very late arrival, suspected malpractice, special consideration
- candidates' scripts not dispatched as required to awarding bodies

Results and post-results

- access to examination results affecting the distribution of results to candidates
- the facilitation of the post-results services

Centre actions:

- in the event of the Examinations Officer being absent the deputy (currently the Data Manager) who is also a secure key holder will deputise in all aspects of the role with the support of the Office Manager (former EO)
- The Examinations Officer prepares an annual work stream of key tasks at the start of each academic year to ensure a smooth take over should the need arise.

2. SENDCo/Assistant SENDCo extended absence at key points in the exam cycle

Key tasks required in the management and administration of the access arrangements process within the exam cycle not undertaken including:

Planning

- candidates not tested/assessed to identify potential access arrangement requirements
- evidence of need and evidence to support normal way of working not collated

Pre-exams

- approval for access arrangements not applied for to the awarding body
- modified paper requirements not identified in a timely manner to enable ordering to meet external deadline
- staff providing support to access arrangement candidates not allocated and trained

Exam time

- access arrangement candidate support not arranged for exam rooms

Centre actions:

in the event of the SENCO being absent, the SEND department will be supported by the HTLA's and the Student Welfare Manager who are able to deputise during absences.

3. Teaching staff extended absence at key points in the exam cycle

Key tasks not undertaken including:

- *Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received*
- *Final entry information not provided to the exams officer on time; resulting in:*
 - *candidates not being entered for exams/assessments or being entered late*
 - *late or other penalty fees being charged by awarding bodies*
- *Internal assessment marks and candidates' work not provided to meet submission deadlines*

Centre actions:

- In the event of teaching staff absences it would be the Subject Leader's responsibility to provide the information to the Exams Officer to meet all internal deadlines. If the Subject Leader were to be absent then the Second in Department Leader would then deputise.
- The exams officer would be responsible for ensuring communication between Department and Senior Lead Team about any concerns that an absence would affect the examinations process.

4. Invigilators - lack of appropriately trained invigilators or invigilator absence

- *Failure to recruit and train sufficient invigilators to conduct exams*
- *Invigilator shortage on peak exam days*
- *Invigilator absence on the day of an exam*

Centre actions:

- Exams Officer is also the Supply Cover Officer and would in good time ensure that all planned exams sessions would be adequately staffed using the Cover Supervisor or any willing Teaching Staff if a short notice absence arose.
- In the event of not being able to recruit sufficient invigilation then agency staff would be booked in advance of the session – where possible to use staff that are familiar within the centre.

5. Exam rooms - lack of appropriate rooms or main venues unavailable at short notice

- Exams officer unable to identify sufficient/appropriate rooms during exams timetable planning
- Insufficient rooms available on peak exam days
- Main exam venues unavailable due to an unexpected incident at exam time

Centre actions:

- Exam Rooms would take priority over other school needs (other than teaching) during an exam session
- In the event of an unexpected incident the exam room could be split over many smaller rooms and re-organised elsewhere in centre or in the FUSE Media building on centre site.
- In the event of a centre closure the Exams team would approach community venues and other local feeder schools to arrange alternative accommodation.

6. Failure of IT systems

- *MIS system failure at final entry deadline*
- *MIS system failure during exams preparation*
- *MIS system failure at results release time*

Centre actions:

- The Examinations Officer would ensure that all internal deadlines for final entries are set with a contingency time built in to be able to deal effectively with IT failure.
- **The centre should report any MIS faults to Bromcom support to be logged as a matter of urgency as Bromcom is cloud based and there is no server back up version to work offline with.**
- In the event of MIS failure at results release time, the exams officer would access Statement of Results files from the Awarding Bodies and results could be distributed as normal.

7. Disruption of teaching time – centre closed for an extended period

- Centre closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning

The centre to communicate with parents, carers and students about the potential for disruption to teaching time and plans to address this. [Joint Contingency Plan (JCP) scenario 1]

Centre actions:

- Where there is disruption to teaching time and students miss teaching and learning, it remains the responsibility of the centre to prepare the students adequately for examinations.
- In the case of modular courses, the centre may advise candidates to sit examinations in the next available series
- The centre should have plans in place to facilitate alternative methods of learning and make use of distance learning methods such as Google Classroom, the school website and Facebook.
- Priority would be given to remain open in a reduced capacity for exam classes and only close to those students not entered for examinations in the forthcoming exam series.

8. Candidates unable to take examinations because of a crisis – centre remains open

- Candidates are unable to attend the examination centre to take examinations as normal

The centre to communicate with relevant awarding organisations at the outset to make them aware of the issue. The centre to communicate with parents, carers and candidates regarding solutions to the issue. [JCP scenario 2]

Centre actions:

- Centre to liaise with candidates to identify whether the examination can be sat at an alternative venue in agreement with the JCQ
- Centre to offer candidates any missed examinations at the next available series
- Centre to apply for special consideration for candidates that have met the minimum requirements. Candidates are only eligible for special consideration if they have been fully prepared and have covered the whole course but are affected by circumstances beyond their control. If a candidate chooses not to sit an examination for other reasons they should be made aware that special consideration rules will not apply.

9. Centre unable to open as normal during the exams period

- Centre unable to open as normal for scheduled examinations

A centre which is unable to open as normal for examinations must inform each awarding organisation with which examinations are due to be taken as soon as is possible. [JCP scenario 5]

As part of their general planning for emergencies, the centre should cover the impact on examinations. The responsibility for deciding if it is safe to open the centre lies with the Head of Centre. The Head is responsible for taking advice, or following instructions from relevant local or national agencies in deciding whether they are able to open.

Centre actions:

- Centre to open for examinations and examination candidates only, if possible centre to use alternative venues in agreement with JCQ (e.g. FUSE Media Centre, Spetchells Centre, Sports Hall)
- Centre may offer candidates an opportunity to sit any examinations missed at the next available series
- Centre to apply for to awarding bodies for special consideration for candidates that have met the minimum requirements

10. Disruption in the distribution of examination papers

- Disruption to the distribution of examination papers to the centre in advance of examinations

The centre to communicate with awarding organisations to organise alternative delivery of papers. [JCP scenario 3]

- Awarding organisations to source alternative couriers for delivery of hard copies
- Awarding organisations to provide centre with electronic access to examination papers via secure network
- Awarding bodies to fax examinations papers to centre if electronic transfer is not available

Centre actions:

- The Examinations Officer would need to ensure that copies are received and stored under secure conditions.
- Examination Officer and/or supporting staff available to have papers emailed to centre.
- Facilities on site to enable large volumes of examinations materials and sufficient space for secure storage in the Examination Secure Store.

11. Disruption to the transportation of completed examination scripts

- Delay in normal collection arrangements for completed examination scripts

The centre to communicate with relevant awarding organisations at the outset to resolve the issue. [JCP scenario 4]

Recommended Actions:

Centre actions:

- In the first instance Centre to seek advice from awarding organisations and normal collection agency regarding collection. Centre is not to make own arrangements for collection without approval from awarding organisations.
- Centre to ensure secure storage of completed examination scripts until secure collection can be arranged.

12. Assessment evidence is not available to be marked

- Large scale damage to or destruction of completed examination scripts/assessment evidence before it can be marked

It is the responsibility of the head of centre to communicate this immediately to the relevant awarding organisation(s) and subsequently to students and their parents or carers. [JCP scenario 6]

Centre actions:

- Awarding organisations to generate candidate marks for affected assessments based on other appropriate evidence of candidate achievement as defined by the awarding organisations in consultation with the regulators, and applied for by the Centre on a JCQ lost or damaged coursework form.
- Candidates to re-take affected assessment at a subsequent assessment window.

13. Centre unable to distribute results as normal

- Centre is unable to access or manage the distribution of results to candidates, or to facilitate post-results services

Centres to contact awarding organisations about alternative options. [JCP scenario 11]

Centre actions:

- Centre to make arrangements to access its results at an alternative site/via email/ **Via MCAS App** to students.
- Centre to make arrangements to coordinate access to post results services from an alternative site/via email to students.
- Centre to share facilities with other centres if this is possible.

Internal Assessment Appeals Procedure

The purpose of this procedure is set out the way in which Prudhoe Community High School will deal with any appeals against internal assessment decisions or appeals against our decision not to support a clerical check, a review of marking, a review of moderation or an appeal.

1. Appeals against internal assessment decisions (centre assessed marks)

This procedure confirms Prudhoe Community High School's compliance with JCQ's *General Regulations for Approved Centres 2023-2024*, section 5.8 that the centre has in place "a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates" and that the centre "must inform candidates of their centre assessed marks as a candidate is allowed to request a review of the centre's marking before marks are submitted to the awarding body."

Certain components of GCSE and GCE qualifications (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments) that contribute to the final grade of the qualification are internally assessed (marked) by the subject teacher. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

Deadlines for the submission of marks (Summer 2024 exam series)

Date	Qualification
7 May	AQA GCSE subjects
15 May	All AS / A Level (exc Art). OCR & Edexcel GCSE subjects
31 May	GCSE / AS / A Level Art subjects

Prudhoe Community High School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Prudhoe Community High School ensures that all centre staff follow a robust *Non-examination assessment policy* (for the management of GCE and GCSE

non-examination assessments). This policy details all procedures relating to non-examination assessments, including the marking and quality assurance processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Prudhoe Community High School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the mark scheme to his/her marking, then he/she may make use of this appeals procedure to consider whether to request a review of the centre's marking. This must be done within 5 school days of the receiving the marks.

1. Prudhoe Community High School will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. Prudhoe Community High School will inform candidates that they may request copies of materials (for example, a copy of their marked work, the relevant specification, the mark scheme and any other associated subject-specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Prudhoe Community High School will, having received a request for copies of materials, promptly make them available to the candidate within 3 school days.
4. Prudhoe Community High School will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.
5. Requests for reviews of marking **must** be made in writing within 2 school days of receiving copies of the requested materials, by completing the **internal appeals form**.
6. Prudhoe Community High School will allow 5 school days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. Prudhoe Community High School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
8. Prudhoe Community High School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of

the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Prudhoe Community High School and is not covered by this procedure.

Prudhoe Community High School will charge a fee of £20 per review requested which must be paid at the time of request to cover any costs incurred to carry out the review. This fee will be charged irrespective of the outcome of the review.

2. Appeals against the centre's decision not to support a clerical check, a review of marking, a review of moderation or an appeal

This procedure confirms Prudhoe Community High School's compliance with JCQ's *General Regulations for Approved Centres 2022-23, section 5.14* that the centre has in place "a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical check, a review of marking, a review of moderation or an appeal..."

Following the issue of results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the exams officer.

Candidates are also informed of the arrangements for post-results services before they sit any exams and the accessibility of senior members of centre staff immediately after the publication of results. A *Post Results Services Request Form* is made available on the school website. This details the post results services available, the cost of these services and the deadlines for applying.

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, an enquiry about the result may be requested.

Enquiries about results (EARs) offers three services.

- Service 1 – clerical re-check
- Service 2 – review of marking
- Service 3 – review of moderation (this service is not available to an individual candidate)

Written candidate consent (informed consent via candidates' school email is acceptable) is required in all cases before a request for an EAR service 1 or 2 is submitted to the awarding body as with these services candidates' marks and subject grades may be lowered. Candidate consent can only be collected after the publication of results.

If a concern is raised about a particular examination result, the exams officer, teaching staff and head of centre will investigate the feasibility of requesting an enquiry supported by the centre.

Where the centre does not uphold a request from a candidate, the candidate may pay the appropriate EAR fee to the centre, and a request will be made to the awarding body on the candidate's behalf.

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an internal appeal can be submitted to the centre by completing the internal appeals form at least 5 calendar days prior to the internal deadline for submitting an EAR.

The appellant will be informed of the outcome of his/her appeal before the internal deadline for submitting an EAR.

Following the EAR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications *Post-Results Services* and *JCQ Appeals Booklet (A guide to the awarding bodies' appeals processes)* will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the EAR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the *JCQ Appeals Booklet*. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within 10 calendar days of the notification of the outcome of the EAR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of receiving the outcome of the enquiry about results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

Appendix C

EMERGENCY EXAM EVACUATION PROCEDURE

(this is an appendix to the whole school fire procedure)

This policy details how the centre deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

When is an emergency evacuation required?

An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.

Emergency evacuation of an exam room

Roles and responsibilities

Head of Centre

Ensures the emergency evacuation policy for exams is fit for purpose and complies with relevant health and safety regulation

Liaises with the SENDCo and other relevant staff prior to each exam where different procedures or assistance may need to be provided for a disabled candidate

Briefs invigilators prior to each exam where different procedures or assistance may need to be provided for a disabled candidate

Ensures appropriate follow-up is undertaken after an emergency evacuation reporting the incident to the awarding body and the actions taken through the special consideration process

Invigilators

By attending training, ensure they understand what to do in the event of an emergency in the exam room

Follow the actions required in the emergency evacuation procedure issued to them for every exam room

Confirm with the exams officer, where different procedures or assistance may need to be provided for a disabled candidate they are invigilating

Other relevant centre staff

Support the senior leader, SENCo, exams officer and invigilators in ensuring the safe emergency evacuation of exam rooms

Emergency evacuation procedure

Invigilators are trained in this procedure and understand the actions they must take in the event of a fire alarm or other emergency that leads to an evacuation of the exam room

Emergency evacuation procedure to be displayed in exam room box lid

Actions to be taken

(as detailed in the current JCQ *Instructions for conducting examinations chapter 18, Emergencies*)

Stop the candidates from writing

Collect the attendance register (in order to ensure all candidates are present) and evacuate the examination room in line with the instructions given by the appropriate authority

Evacuate the examination room in line with the instructions given by the appropriate authority

Candidates should leave the room in silence
