

# Plover Primary's Sports Premium Statement 2017/18

## What is the 'Sport Premium'?

In April 2013 the Government announced new funding of £150 million for Physical Education (PE) and Sport – often referred to as a 'Sport Premium'. This funding is to be used to improve the quality and breadth of PE and Sport provision.

When asked about the 'Sport Premium' at its launch, Lord Coe reflected: *'When I stood up in Singapore in 2005, I spoke of London's vision to connect young people with the inspirational power of the Games so they are inspired to choose sport. By focussing on primary schools, we have the opportunity to use sport and physical activity to shape the daily lives of young people. I know from my own experience what an impact teachers and their engagement can have on the lives of young people.'* (Lord Coe)

## Current Provision

We are continuing to develop the PE curriculum provision at our school and are starting to provide a variety of extra-curricular activities. Sporting Clubs include: Football, Dodgeball and Gymnastics.

Sports Week also features in our school sporting calendar which involves every child in school taking part in a wide variety of sports. These include: dance, tennis and curling. The activities are delivered to the children by professionals in that field. Within the week, Intra School competitions also take place (Dodgeball, Rounders and Tag Rugby.) We also have our yearly Foundation Stage, KS1 and KS2 Sports Days. Our school sports teams have regular fixtures with other primary schools these include: football (boys, girls and mixed) ; cricket ; tag-rugby ; gymnastics; indoor athletics and outdoor athletics.

**Our staff and children are benefitting greatly from the Sport Premium funding which is having a positive impact on our pupils' physical wellbeing as well as broadening all of our horizons with regard to sporting experiences. Below is an outline of our use of the Sport Premium Funding to date and its impact on our school and pupils;**

- **The installation of our Trim Trail, playground markings and a multi-purpose sports wall in the KS2 playground has had an enormous impact during playtimes and lunch times reducing behavioural issues and giving children the opportunity to take part in physical activity.**

- **Class Teachers have been given the opportunity to develop their knowledge and skills of Physical Education through the guidance and expertise of P.E coaches from Premier Team Coaching.**
- **We also take part in a variety of competitions ran by Active Fusion and Sainsbury's Get Active.**
- **We continue to maintain close working relationships with local partners including Danum Academy and Premier Team Coaching.**
- **We have taken part in a variety of local competitions so far this year, including football, tag rugby, indoor athletics, athletics, gymnastics, cricket, basketball and dance festivals.**
- **Maintaining the Change 4 Life Club to develop children's confidence and understanding of a healthy lifestyle.**

#### **How will we be spending the 'Sport Premium' funding?**

We will be using our 'Sport Premium' funding to improve:

- PE provision (through staff Continued Professional Development opportunities and specialist input from sports coaches)
- Competitive Sport
- New sporting equipment (games equipment and gymnastics equipment)
- For the Motor-On initiative for Foundation 2 pupils

#### **Swimming Information**

71% can swim competently, confidently and proficiently over a distance of at least 25 metres

71% can use a range of strokes effectively

43% can perform self-rescue in different water-based situations
