

Plover Primary's Sports Premium Statement

What is the 'Sport Premium'?

In April 2013 the Government announced new funding of £150 million for Physical Education (PE) and Sport – often referred to as a 'Sport Premium'. This funding is to be used to improve the quality and breadth of PE and Sport provision.

When asked about the 'Sport Premium' at its launch, Lord Coe reflected: *'When I stood up in Singapore in 2005, I spoke of London's vision to connect young people with the inspirational power of the Games so they are inspired to choose sport. By focussing on primary schools, we have the opportunity to use sport and physical activity to shape the daily lives of young people. I know from my own experience what an impact teachers and their engagement can have on the lives of young people.'* (Lord Coe)

Current Provision

We are currently developing our PE curriculum provision at our school and are starting to provide a variety of extra-curricular activities. Sporting Clubs include: Football, Netball, Rounders, Athletics, Basketball and Cricket. We also run a Playground Leaders program for our Year 6 pupils who lead our younger children in a variety of games and activities during lunch and break times.

Sports Week also features in our school sporting calendar which involves every child in school taking part in a wide variety of sports. These include; dance, tennis, tag-rugby, Zumba, tri-golf, basketball and curling. The activities are delivered to the children by professionals in that field. Within the week, Intra School competitions also take place (Dodge Ball, Rounders' and Tag Rugby.) We also have our yearly Foundation Stage, KS1 and KS2 Sports Days. Our school sports teams have regular fixtures with other local primary schools.

Our staff and children are benefitting greatly from the Sport Premium funding which is having a positive impact on our pupils' physical wellbeing as well as broadening all of our horizons with regard to sporting experiences. Below is an outline of our use of the Sport Premium Funding to date and its impact on our school and pupils;

- **The installation of our Trim Trail, playground markings and a multi-purpose sports wall in the KS2 playground has had an enormous impact during playtimes and lunch times reducing behavioural issues and giving children the opportunity to take part in physical activity.**
- **The installation of our outdoor classroom also has provided classes with an area to access cross curricular learning.**
- **Class Teachers have been given the opportunity to develop their knowledge and skills of Physical Education through the guidance and expertise of P.E coaches from Premier Team Coaching.**
- **We also take part in a variety of competitions ran by Active Fusion and Sainsbury's Get Active.**
- **We continue to maintain close working relationships with local partners including Danum Academy and Fit 2 Play.**
- **We have taken part in a variety of local competitions so far this year, including football, tag rugby, basketball and dance festivals.**
- **Maintaining the Change 4 Life Club to develop children's confidence and understanding of a healthy lifestyle.**

How will we be spending the 'Sport Premium' funding?

We will be using our 'Sport Premium' funding to improve:

- PE provision (through staff Continued Professional Development opportunities and specialist input from sports coaches)
- Competitive Sport
- New sporting equipment (gymnastic apparatus, playground markings and games equipment)

Sports Premium Provision Map 2016-2017

What the money has been spent on.	What it looks like in school.	The impact it has had.
<ul style="list-style-type: none"> • Coaches to up skill staff • Out of school clubs and activities • Outdoor equipment for sports wall • Training for change for life club • Resource bag for change for life club. • Playground markings • A variety of games equipment 	<ul style="list-style-type: none"> • CPD for staff • Competitions for children to take part in. • Conferences to update staff on upcoming P.E initiatives. • Val Sabin being used throughout school as our PE curriculum • Coaches are following and enhancing the schemes of work. • Premier Team Coaching working with staff to up skill them. • Old gym equipment has been refurbished and new equipment bought. • Creating a new assessment system. • New games equipment • New playground markings and equipment • New after school clubs set up targeting certain year groups (e.g. curling) 	<ul style="list-style-type: none"> • Staff have improved their subject knowledge and have improved the quality of PE teaching and learning • Children have attended numerous competitions both locally and around Doncaster. These have included football, basketball, athletics, archery and cricket • Staff are working with the coaches and schemes of work in P.E lessons to able them to plan high quality P.E independently • Staff fill in questionnaires every term giving feedback on the quality and effectiveness of the coaches • New gym equipment is being used in P.E lessons giving children more resources to use and greater opportunities to enhance provision and learning • Assessment system (ongoing) of children to show progression • Impact of change 4 life club will be shown through chosen target group and will be child specific

		<ul style="list-style-type: none"> • After school clubs target specific pupils and aim to improve sporting and academic progress (e.g. reading and curling club) • Playground equipment encourages pupils to play in a co-operative manner and has reduced the number of behavioural incidents at play and lunchtime
