

Easter challenge menu!

We know things are very different for you right now and we wanted to give you some fun challenges to do at home during your easter break! For every challenge you do and email in, you will earn five points! If you earn 50 points during the holidays, we will post you out a treat (when it is safe to do so!). You can do more than one challenge a day should you wish (and if some days you need a break-you can catch up on other days- we will need breaks too!)
