Dear Parent / Guardian,

We have had a lovely few transition days, getting to know our new classes in LKS2 (Lower Key Stage 2) and we are really looking forward to next year and our new expedition.

We have some fun activities planned to 'hook' our children into learning over the first couple of weeks back:

In the first week back, in **Year 3**, we are focussing on building crew and kindness in our community. We are planning on taking the Year 3 children to Sandall Beat Woods on **Thursday 31st August** to complete some crew building activities.

We shall be walking to Sandall Beat Wood, so by completing the permission slip, you are giving permission for your child to walk accompanied to the wood.

There is no cost to this activity and it will be completed during school hours.

Parents are welcome to join us for this activity, please indicate on the reply slip if you would like to attend.
