

Delivering joy this Christmas

with Dunelm

We would like to take voluntary donations for the Dunelm Christmas tags. The donations should be given to crew leads and we will bulk buy the items for the tags.

Our lovely student ambassadors will take the donations to Dunelm before the 5th December.

How to get involved!

3 ways to get involved...

Buy a gift for someone described on one of our tags. You'll find tags hanging on the Christmas tree in your local store.

Make a gift for someone described on one of the tags. (Why not pop into your local Pausa Café to craft a gift with a Knit & Stitch group?)

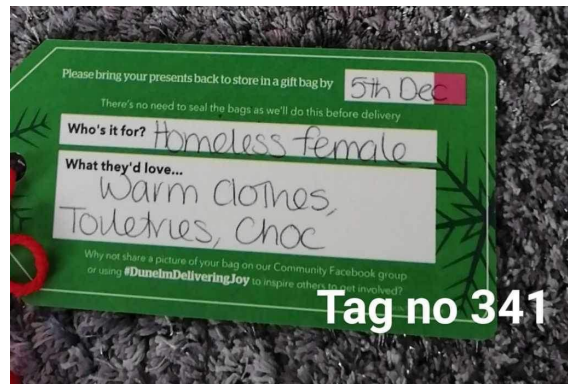

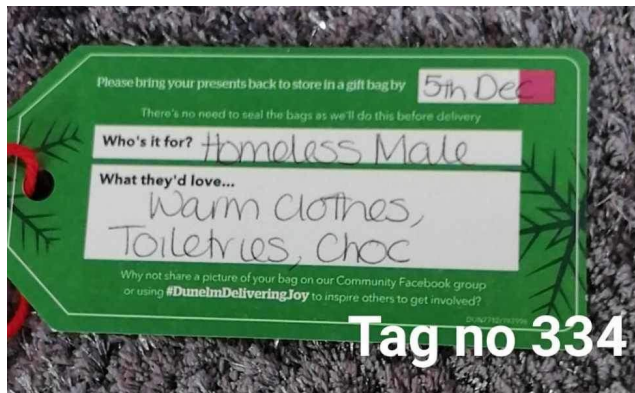

Donate any spare Christmas decorations at the drop-off point in your local store and we'll pass them on to somewhere that needs brightening up.

Why?

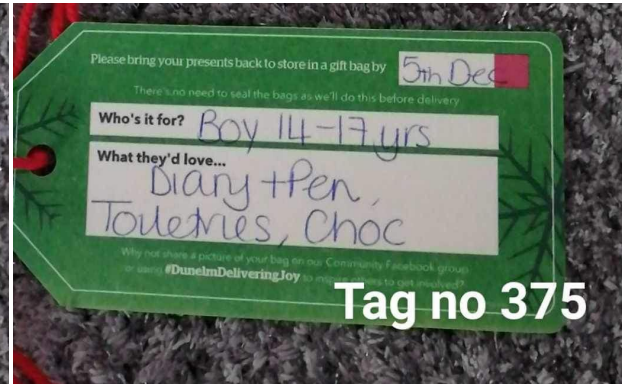

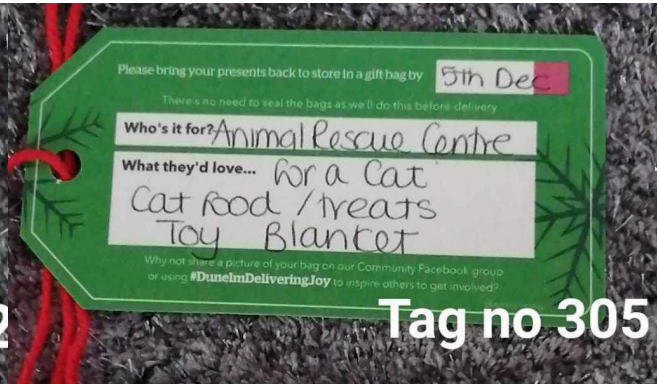

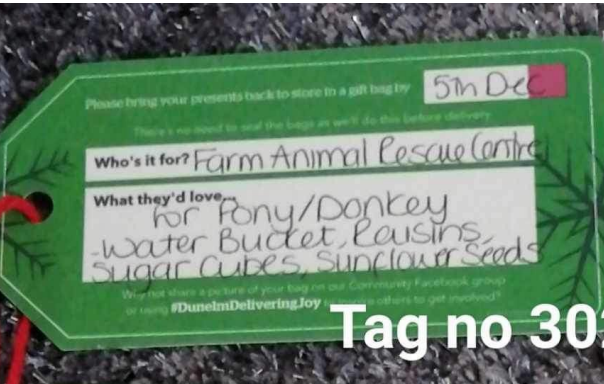

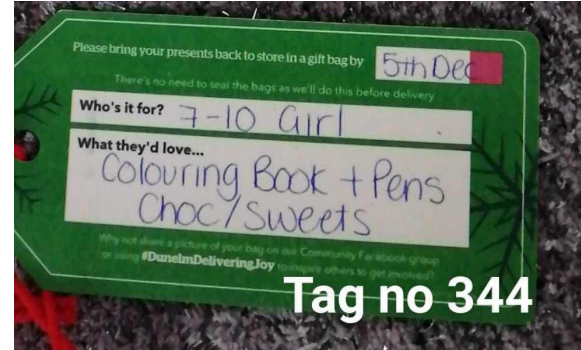

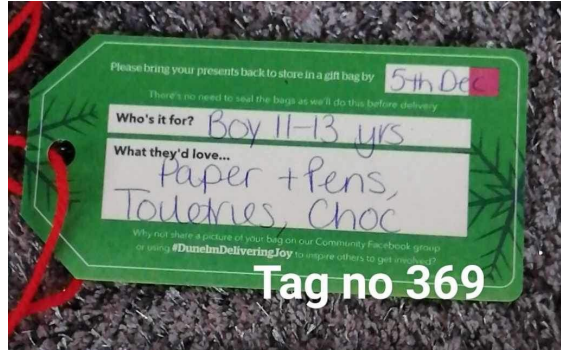

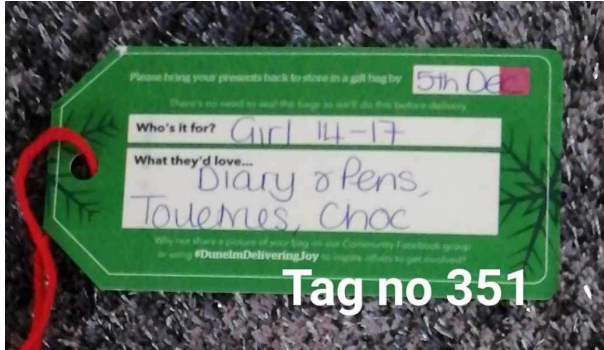

Some people/animals in our community may not get anything this Christmas for various reasons and we would love to spread love and kindness by helping grant their Christmas wishes!
