

# WHAT CAN I SEE

I am a Badger.

I live in a sett and I dig long tunnels. I eat earthworms, insects, fruit and eggs.

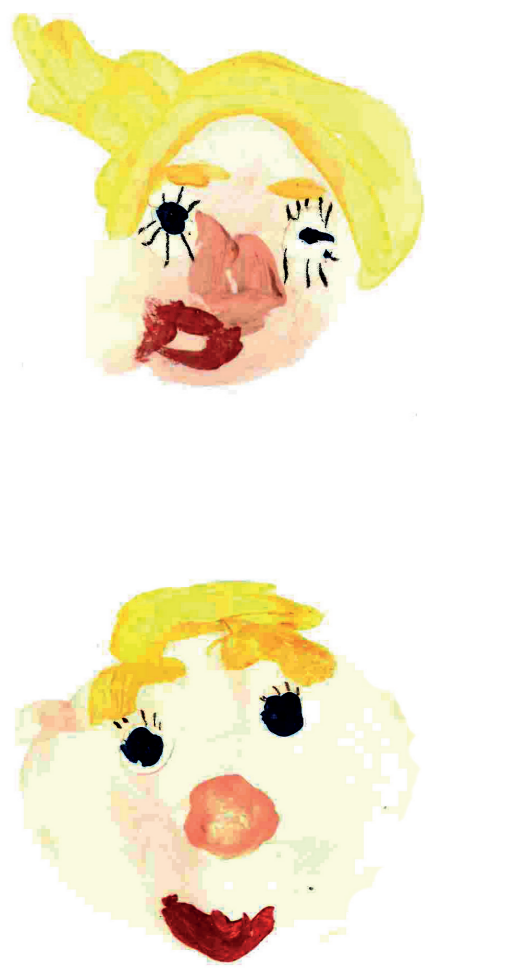

I am a Hedgehog.

I live in a nest on the ground. I eat insects, worms, slugs and berries.

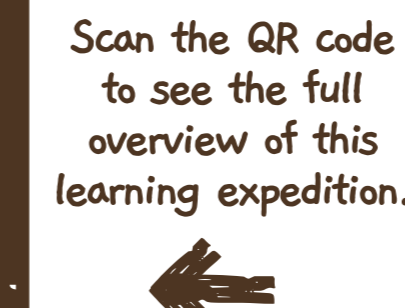

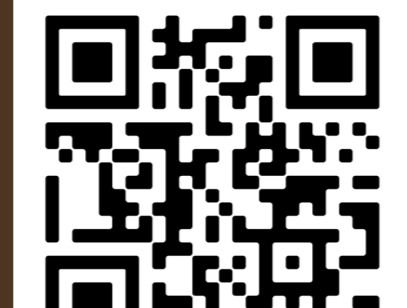

I am a Fox.

I live in a den in the ground or in old trees. I eat almost anything.

What Can I See In The Woods?  
is a learning expedition by F2 children  
at Plover School in Intake, Doncaster.

I am a Squirrel.

I live in a drey in a tree. I eat nuts, seeds, berries and insects.

I am an Owl.

I live in a nest in a tree. I eat insects and small animals.

I am a Rabbit.

I live in a warren under the ground. I eat leaves, grass and green plants.
