Jewellery

Children are not permitted to wear finger rings or other personal decorations at school as there is a risk of injury to children when they are physically active, especially at break times. Valuable items tend to be lost and we cannot give time to searching for them. This statement does not apply to recognised religious jewellery.

Children are permitted to wear one pair of small, stud earrings. These must be removed by the child for P.E sessions to avoid risk of injury. Earrings are the responsibility of the child and we cannot be held responsible should they go missing. We recommend that children have ears pierced at the beginning of the Summer holidays.
