Dear parents and carers,

We understand that Christmas photoshoots can be quite costly and given the current climate, we would like to offer something at a more affordable price.

We would like to offer you the opportunity for your child and any siblings to have a special Christmas photograph taken at school. We have teamed up with 'Robyn Ashleigh Photography' to offer one printed and digital photo for just £15. This type of photoshoot would normally cost £70!

*If you would like a sibling photograph- please email Miss Blackham- ablackham@ploverschool.co.uk by **Tuesday 12th November**.*

You will be able to purchase your photographs via the photographer's password protected website after the shoot.-**Tuesday 19th November** and the photographer aims to return photos by Tuesday 10th December. **You are welcome to send your child an additional pair of clothes to change into for the photograph.**

The picture below shows the backdrop which will be used for the photograph.
