So, you want your child to learn to swim.

Let's help them learn the right
technique, in the right environment,
with the best people.

Let's give them the courage to be fearless,
make friends, swim strongly and have fun.

Then let's see where those
skills might take them.

Let's do this.

You've decided to take your child to swimming lessons, but why should you choose Swim Academy?

LET'S BE AWESOME.

We train, we teach, we continue to learn, at the highest level, so that your children are taught in the best possible way, from their first class to their graduation.

LET'S GET THERE.

We set clear targets and meet them. Track the progress of your superstar swimmer through your online account and follow their progress every step of the way.

LET'S OWN IT.

We don't knock children down; we build them up. Our strokes are deconstructed so that nothing is ever 'wrong' because they've always started out right.

LET'S GO FURTHER.

We are continually evolving and improving our programmes in line with new research and guidance on swimming and child development but also in line with what we learn internally about our swimmers and the way they progress through our programmes.

We're a proud member of the Swimming Teachers' Association

LET'S HAVE FUN.

Children learn through experience, not through repetition. We keep our classes fun, lively, varied and exciting to help your child stay engaged and challenged in the water.
