Dear pen friend, June 30, 2025

Hello! I hope you are doing well. My name is Ana and I am 12 years old. I live in Giurgiu, a beautiful city in Romania and I am very excited to write you.

I learn at School Number 7, the best school in our town. I enjoy going to school because of my teachers.

In my free time I play the guitar, read, draw and solve math problems. I like maths. I also enjoy collecting Littlest Pet Shop figurines. Collecting plushies and stickers are one of my hobbies too. My favourite character is Hello Kitty. I love her because she is so cute. What about you? What are your favourite activities?

I am in love with the movie "K-Pop Demon Hunter". It's the best movie I've ever seen. If you are into K-Pop like me it would be your favourite movie too. K-Pop is my favourite music style. Stray Kids and BlackPink are the groups that I listen too. I also like Billie Eilish. Her music is so relaxing and it feels like you're in another world. I listen to KISS, QUEEN and Mitski as well. And you? What's your taste in music?

I also love animals, especially cats. I have a cat whose name is Hera. Cats are my love.

My styles are Y2K, alternative and street wear. I really like fashion and whatever is related to it.
