Dear friend

Hello! My name is Mirela Maria Cristiana.

I am from Romania, Giurgiu County. I am 12 years old and I live with my parents and brother.

I study at secondary school number 7 Giurgiu.

I've moved on to sixth grade and I'm really excited. At school I get along really well with all my classmates, we're all a real team. My favorite activities are: handball, reading, and cycling. I have participated in various competitions: Dance Festival came with us to Dramaland. I really like animals, that's why I have two puppies and two kittens, I love them and always spoil them.

I have a little brother who is one year and eight months old, his name is Stefan. I love him very much, in my free time we play together and I teach him many games.
