Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	60%	60% - Most students bring swim costumes every session but there are some children that will forget some days and that will put the children behind. Also, parents do not continue taking their children swimming in their own time and that will also affect the child's swimming as the first few sessions the instructors seem to be recapping previous years learning etc.

<p>What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?</p>	<p>40%</p>	<p>40% - Most students can swim competently but do not know every stroke.
