ROKEBY FOOD BANK

Our food bank continues to support numerous families. Since the start of term we have supplied 25 emergency support packages comprising food, hygiene, toiletries and baby products. Some families are receiving regular support due to the increasing hardships they are facing as a result of the current pandemic.

Thank you to all the staff and families who continue to keep our stock going with regular donations. This allows us to reach even more families, improve the quantity and range of items we stock and ensure provision to families in need over the winter months. If you need support, please email: omer.bashir@rokeby.newham.sch.uk.

THOUGHT OF THE WEEK

“Do speed limits matter?”

THE GREAT OUTDOORS

It was lovely to hear from two ex-students who got in touch with news of their recent adventures. Mir and Mudassir, currently studying A-levels at Brampton Manor Academy, were awarded a grant from the [Mark Evison Foundation](#) to organise a trek in the Lake District. They planned all aspects of the four day camping hike, which really tested their physical and mental strength but provided them with memories for life.

Mir said: *It was the most difficult adventure any of us had ever been on and it taught us that we are capable of achieving things way beyond where we think our limit is. We are incredibly proud of what we have achieved.*

Meanwhile closer to home, Rokeby's school garden is gently following the flow of the seasons. Staff have been busy clearing autumn leaves, removing old crops, filling the bird feeders and planting bulbs for the spring.

Gardens and outdoor spaces are now more important than ever. A [recent report](#) from the National Garden Scheme confirms the power that being outdoors has on our physical well-being and mental health. If you don't have a garden, Newham has some lovely [parks](#) and other [green spaces](#); free and open to all!
