The Jack Petchey Achievement Award recognises outstanding young people aged 11-25 across London and Essex. Congratulations to this term's winners; **Viswajith** in Year 9 and **Delexson** in Year 10.

Viswajith Year 9 | Award for Passion for learning

Nominated for his outstanding work in Spanish. Viswajith takes an active role in every lesson and consistently focusses on his learning, going above and beyond what is expected of him. He demonstrates real passion for learning and commitment to improving his language skills.

Delexson Year 10 | Award for Success

Nominated for his outstanding contribution to Rokeby's International Committee. Delexson was instrumental in developing a successful partnership with Stone Bridge High School in the USA. He initiated and led on projects that actively engaged with his peers in the States. This partnership, in large part thanks to Delexson's work has resulted in Rokeby's involvement in further international leadership opportunities such as GOALS, a forum for young leaders across the world to collectively address global issues. He continues to develop in confidence as he challenges himself and builds his knowledge of the world around him.

GIRO D'ITALIA

The International Committee has launched the Giro d'Italia fantasy cycling league as part of our mission to celebrate different countries and cultures around the world. The Giro d'Italia is a 3-week bicycle race that takes place all over Italy and tackles a massive 3,450km over 21 stages with some brief dips into Slovenia and Switzerland.

Students have selected a 9 man cycling team and are competing against other Rokeby students to be crowned the champion. Check out the interactive screens to see the daily leader board.
