

ROKEBY RECORDER

DARE TO BE THE BEST

Issue 24 | Summer Term 2021

HEALTH AWARENESS WEEK

Now more than ever we recognise the importance of healthy and active bodies and minds. Rokeby's **Health Awareness Week** last week was a fantastic opportunity for the whole school to engage in wellbeing activities and to remind ourselves of the positive impact exercise and nutrition plays in keeping us fit and well.

Students took part in a programme of teambuilding and sporting activities facilitated by the [Outward Bound Trust](#) and [Born4Sport](#), which included boxing, fitness coaching and hockey. While staff enjoyed cooking, print making, table tennis and boxercise with all donations going to [United World Schools'](#) campaign to support schools in Cambodia and Vietnam.

Respect, Success, Passion for Learning, Personal Challenge, Harmony

Launched by our International Committee, as part of our celebration of different countries and cultures around the world, staff and students took part in the first **Velogames Fantasy Cycling Tour** to mark the Giro D'Italia which started on 8th May.

Along with the Tour de France and the Vuelta a España, the Giro d'Italia is one of cycling's prestigious three-week-long Grand Tours. The race consists of 21 stages over a 23 to 24 day period.

Rokeby's fantasy league participants selected their team of nine riders to compete. Well done to our winners who received a Giro'Italia water bottle and a keyring of the jersey that they won: Mahe Chowdhury for winning the **maglia rosa** (overall winner); Mr Ball (**maglia ciclamino**); Soyad Ali (**maglia azzurra**); and Mr Simenas (**maglia bianca**).

Parent meeting: Homework Thursday 24th June at 9.45am

An online session for parents/carers to discuss your views and experiences of homework.
