DICE

Are you a parent / carer of a pre-teens and / or teens?
Are you worried about the challenges and risks young people face in our modern world?

"We thought he was just being a typical teenager spending time on his computer and phone. We didn't know that he was being recruited into crime"

"One of her other friends had gone missing, and they asked who my daughter had been with and she told them and they said these men are possible groomers, I was so naive that I didn't even know what a groomer was"

DICE is a 4 week Parenting Support programme

It provides families with **information**, **advice** and **support** that can help them to provide a **safe and protective environment** for their child or young person

Each session will be **relaxed** and **informal**, with a **variety of activities**, **discussions** and **videos**. There will be a maximum of **12 parents/carers**, providing an ideal opportunity to meet others in similar situations and to share experiences. The programme will take place **virtually** until further notice.

Topics covered:

The Teenage Brain
Exploitation and the grooming process
Digital Dangers
Parenting Top Tips & Support networks
