

ROKEBY RECORDER

DARE TO BE THE BEST

Issue 2 | Autumn Term 2021

FAITH IN SCHOOLS

Newham based charity, [Faith in Schools](#), delivered assemblies this week to raise awareness of their 'What's the point' campaign, which aims to educate and empower young people to change the culture of youth violence.

They are looking to engage 10 student volunteers in a youth work programme that will focus on educating young people on knife crime, equipping them with leadership skills and enabling them to educate their peers.

The sessions will involve speakers from across the community and will encourage young people's voices, stories and experiences to be heard.

STUDENT LEADERSHIP

Welcome to three students who have recently joined Rokeby's student leadership team! Muiz, Mustofa and Somrat are new Year 8 recruits to the Lunch Monitor team and have hit the ground running doing some excellent work in the dining hall.

Lunch monitors play an important role in supporting staff to keep the dining areas tidy and organised. Great work boys!

LANGUAGES WEEK

This week is Rokeby's annual Languages Week when we celebrate our linguistic diversity and promote the importance of language learning. Lots has been happening in class and around school including a number of language competitions which are still open to entries - there are prizes to be won! Click [here](#) for more information.

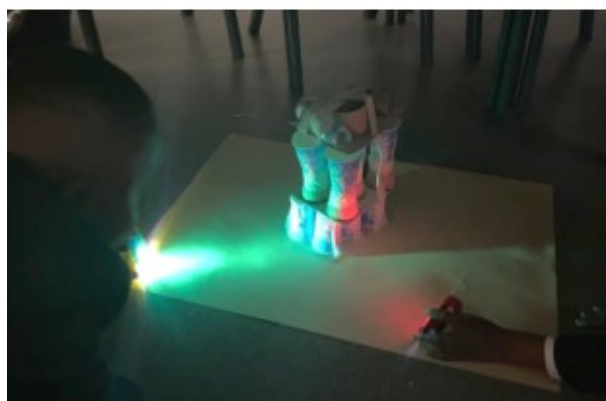

Respect, Success, Passion for Learning, Personal Challenge, Harmony

Year 7 have kick started their artistic journeys at Rokeby this term.

In just three lessons they have researched an artist, made a sculpture using recycled items & organised their own photoshoots using coloured lighting and mini photography studios under their desks. Great work year 7!
