DARE TO BE THE BEST

Issue 5 | Autumn Term 2021

HELLO YELLOW

To mark [World Mental Health Day](#) last Friday, staff donned all shades of yellow in support of the Young Mind's [#HelloYellow campaign](#).

The campaign aims to remind young people that they are not alone with their mental health. Staff dug out their neon socks, custard coloured ties and marigold jumpers to add splashes of yellow all round school for the day.

Rokeby is a proud recipient of the [School Mental Health Award](#) from the Carnegie School of Education. We were awarded silver status for our work in raising awareness of mental health issues and improving provision for staff and students over the past two years.

If you have concerns about your son, you can always email wellbeing@rokeby.newham.sch.uk. Details of mental health support resources are available on our [website](#).

JACK PETCHEY AWARD

Congratulations to **Ibrahim (7B)** who is this month's Jack Petchey Award winner. He was nominated by Mr Fox for the theme of 'transition'.

In his nomination, Mr Fox wrote:

I want to nominate Ibrahim for his patience, maturity and kindness to his peers in Year 7. Ibrahim is undoubtedly one of the more compassionate and caring young men I have ever met.

As an example, I recently introduced chrome books for the first time in my class. Ibrahim took it upon himself to patiently explain to a new student, who does not speak English, how to log on and access the task I had set. He then very slowly and methodically explained the concepts of perimeter and area and the key difference between them, so his fellow student could access the learning.

He is a joy to teach and an absolute asset to my class.

YOUNG DODGEBALL LEADERS

Congratulations to the 24 boys who recently completed the Young Dodgeball Leaders Workshop.

The Year 11 students spent three hours after school taking part in a workshop to improve their knowledge and skills of dodgeball and how to apply it within lessons. All of the boys applied themselves excellently and actively engaged in the session.

A big thank you to the [British Dodgeball](#) for delivering the workshop.

NATIONAL TEACHERS DAY

To mark [World Teachers Day](#) on 5th October, Rokeby's GCSE Russian group students made and delivered poetry flags for teachers around school. The flag included both a Russian poem and its translation, offering recognition of teachers' hard work.

Thank you boys for this token of your appreciation!
