

BTEC Music at KS4

Full Circle performance at The Royal Albert Hall, November 2020

BTEC First Awards are primarily designed for learners who want to study in the context of a vocational sector.

The knowledge, understanding and skills learned in studying a BTEC First will aid progression to further study and, in due course, prepare learners to enter the workplace.

What Can you expect?

1. Three hours of Music a week!
2. An in-depth study of the Music Industry; job roles and responsibilities, companies, venues, events.
3. An understanding of the journey from being signed to a record label, recording an album and going on tour.
4. Weekly ensemble rehearsals with your class.
5. Regular performances in school and across the borough.
6. Collaboration with music students from Lister, Sarah Bonnell and Eastlea.
7. Composition tasks using Music Technology.
8. Hosting big events in the hall.
9. Recording and Producing albums in the Music Studio.

What are the exam/assessments like?

Unit 1: The Music Industry	Externally Assessed You will sit an hour long written paper in the hall
Unit 2: Managing a Music Product	Internally Assessed You will plan, promote and deliver a concert in the hall OR or you will will plan, promote and produce an album
Unit 4: Introducing Music Composition	Internally Assessed You will compose music for a series of television adverts
Unit 5: Introducing Music Performance	Internally Assessed You will prepare two performance pieces for your college audition

Where will it take you?
