Issue 12 | Autumn Term 2021

## OUTWARD BOUND

Twenty four Year 9 students are currently in Wales on an Outward Bound expedition. So far they have been hiking, camping and wild swimming. It sounds like an incredible experience and we're looking forward to hearing all about their adventures when they return tomorrow afternoon.

Key Stage 3 students took part in the Rainbow Laces competition to show solidarity with the campaign organised by the charity Stonewall.

Students who wore Rainbow Laces showed their support for ending discrimination in sport against those from LGBTQ+ communities.

As part of the competition, students took part in football and basketball inter-form competitions. Well done to all participants. The winning teams will be announced at the start of next term when you will also receive your medals.

*Respect, Success, Passion for Learning, Personal Challenge, Harmony*

For the last six weeks students from the Music Department have been taking part in weekly drumming workshops facilitated by [Drum Works](#). Using a mixture of High and Low Surdos, Caixa and Repinique drums, the students learnt existing beats from local producers as well as composing their own material as an ensemble.

Thanks to Joe, Chloe, Emily, Daniel and Andre for introducing us to this world of music. We can't wait to work with you again!

### Young people & Healthy Relationships

Thank you to [Tender](#) for running a fantastic online workshop this week for our parents and carers. The workshop focussed on how we can support our children to have healthy relationships.

This was the first of three workshops that we will be running in partnership with Tender. The next session will take place online on Tuesday, 11th January when we will discuss peer pressure and how we can help our young people understand consent.

## ONLINE SAFETY DURING THE HOLIDAYS

Our website provides links to a whole range of gaming and online safety guides for parents and carers. If your son is lucky enough to receive a new device over the holidays you may be interested in the guide below. If not head to our [website](#) to checkout the other online safety resources that are available. [Online safety tips for new devices](#)
