Why is it important to make the right choice?

Student A chose RM, Food and Spanish.
After one week he asked to change his Options as he wanted
to study Geography instead.
There were no spaces in Geography.

Student B handed his form in after the deadline for handing in
a choices had finished.
He did not get all of his first choices as many of these were
full.

Student C came to see me last week and asked to change his
Options...
