Issue 14 | Spring Term 2022

HEALTHY EATING

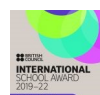

Last week members of our School Council spent part of their Friday morning helping to develop new menu choices.

They worked alongside staff from Juniper Ventures, the school's catering company, to sample some of the dishes that are being considered for the 2022 spring/summer menu. They gave some great feedback and dishes such as the Cajun vegetable stew and raspberry yoghurt cake were very well received!

Meanwhile, Chinemere in Year 8 is proof that if you don't ask you don't get! He felt that there needed to be more options at Breakfast Club. In particular, he wanted to see eggs on the menu. So he took matters into his own hands by writing a letter to Ms Robinson outlining his request.

In his letter he wrote: *It would be fantastic if you could include scrambled eggs. Eggs give us protein and vitamins and students will love it.*

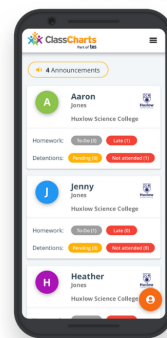

Now thanks to Chinemere, eggs have been added to the menu; both scrambled and fried! A nutritious and filling way to start the day.

THE BIG READ

Every year we buy every student, member of staff and governor a book to read together during World Book Week. We are currently deciding on the shortlist for this year. If you have any suggestions please see one of your English teachers or Ms Hendrickson in the library.

LOST PROPERTY

A considerable number of items are currently in our lost property store. Items include coats, jackets and trainers. We will display all lost property at the end of the school day tomorrow and one day next week so students can claim any items that are theirs. A reminder to all parents to please **label your son's clothes**. If clothes are labelled we can return them to your son.
