STUDENT LEADERSHIP CONFERENCE

Representatives from Rokeby's Student Leadership team, Zubair, Aaryan and Delexson, attended a NCST (Newham Community Schools Trust) leadership conference alongside students from Eastlea, Lister and Sarah Bonnell. The boys presented on the student leadership structure here at Rokeby, shared good practice and networked. We are now looking to collaborate with our NCST partners on projects that will benefit our whole community.

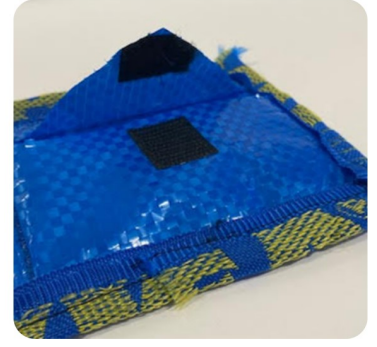

DIVERSITY & EQUALITY MONTH

February marks the start of Rokeby's Diversity & Equality Month. Every department across the school will engage students in curriculum activities that aim to promote discussion on issues relating to diversity and the importance of combatting discrimination, in all its forms, within society. We start next week with assemblies and P4C sessions, including hosting a session for St Luke's primary school.

GCSE TEXTILES

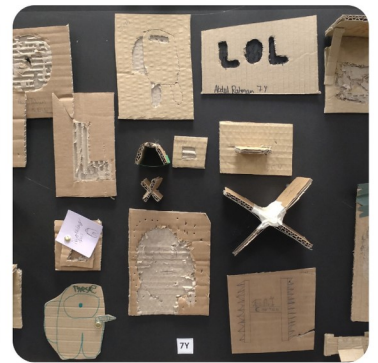

Year 10 Textiles students were tasked with creating something of their choice from an existing product; the iconic Ikea carrier bag. Here is some of their final work, as well as some very well constructed preparation pieces using cotton. We clearly have some budding designers in the class!

DESIGN & TECHNOLOGY

In Design & Technology, Year 7 students have been working with cardboard to analyse its properties prior to making prototype models.

Students experimented with stacking, scoring, tabs and slots, as well as motions and mechanisms using levers and linkages in their designs.

DRAMA

Year 10 students have been exploring the technical side of theatre. They stepped into the shoes of real world designers and created mini pop-up sets. They then used the sets and their surroundings to explore how theatre lighting designers execute their designs to meet the demands of a director's vision for production.
