year 7 and 8

set 1,2,3 x band (R O K)

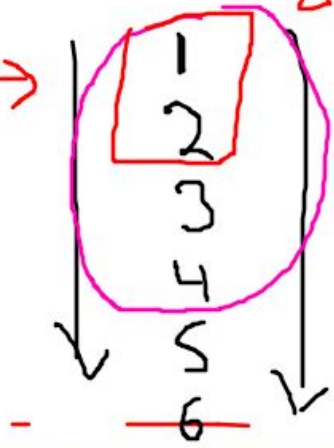

set 1,2,3 y band (E B Y)

year 9

6 sets

1-4- Higher (and stats)

5-6 - foundation

year 10 and 11 ^{7 sets}

(and stats) - sets 1-5 - Higher Grade 9 - 3

-Set 6-7 - Foundation Grade 5-1

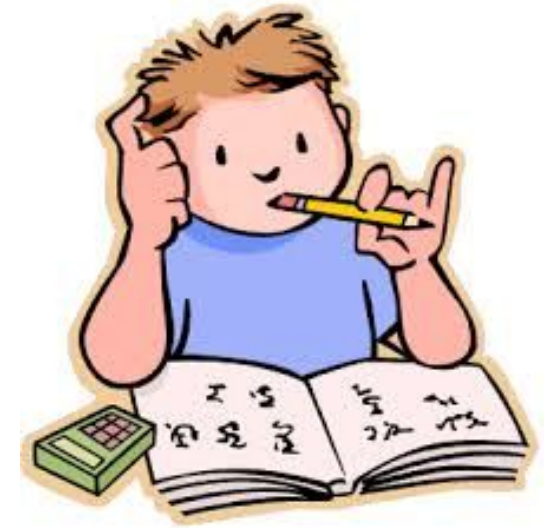

Maths Courses at Rokeby

- KS3 – UKMT
- KS3- Personal Finance (L1) – Year 8
- Personal Finance Level 2 Certificate in Financial Education (Ce FE) - Year 9
- KS4- GCSE Maths (3 exams)
- KS4- GCSE Statistics (2 exams)
- KS4- Further Maths (2 exams) – yr 10 top set

Homework

- Homework is an important part of learning. what you can do independently.
- Homework will be set once a week on class charts. This can be written or online, using mymaths, methodmaths and mathswatch.
- **Written h/w to be completed at the back of your exercise book (Flip the book over- so pages turn in the normal way right to left)**

Homework

- Homework to be set once per week and notes on showmyhomework
- Written homework once every two weeks.
- The quality of **all written and non-written** homework will be logged on a tracker tracker.

- 1 - Hw demonstrates secure understanding of the topic
- 2 - Hw demonstrates good understanding of the topic
- 3 - Hw demonstrates some understanding of the topic
- 4 - Hw not complete

White - N

Black - Was not in your set at the time

Yellow - Hw submitted Late (change score from 4 to 1-3)

- Parents will be contacted if the hw is consistently poor or incomplete.

- **Students to note on-line homework on the sticker at the back of their books, and record their own results.**

Homework

Homework will be marked- and all records will be kept by your class teacher on a tracker

(next slides yr 10 and 11 only)

Year 10 and 11 ONLY

Exam Skills

- Year 10 and 11 , approximately every 3 week. - Sessions populated on the Maths calendar (twice per half term)
- Students given 5 topics to focus for revision via showmyhomework
- 40 minutes exam conditions/ 40 minutes review and self mark

Tuesday – year 11 period 5 – 3:45

Wednesday year 10 period 5 – 3:15

- Teachers to log a weakness and reteach the topic.

Revision resources ppt

- This will be loaded up on to your google classroom

(show students how they should use this throughout the year - click in and demonstrate the worked solution and how to navigate the websites i.e corbet maths/mr barton etc.)
