Issue 27 | Summer Term 2022

HEALTH AWARENESS WEEK

Activities took place across the school last week to promote **Health Awareness Week**. Students tried out new sports including hockey, netball and boxing. Thank you to [Born 4 Sport](#) for facilitating some fantastic sessions, which taught the importance of teamwork and communication through sport; you really did dare our students to be and to try their best. Our thanks as well to [Tender](#) for running workshops that focussed on healthy relationships and to [Howzthat1](#) for running sessions on the dangers and consequences of consuming drugs and alcohol. It was a varied, informative and active week!

Respect, Success, Passion for Learning, Personal Challenge, Harmony

A group of Year 10 students recently visited [Lee Valley Athletics Centre](#) to take part in the [Youth Sport Trust's](#) Step into Sport camp, which is designed to increase sports leadership skills. The students took part in workshops facilitated by ex-Olympic athletes and got the chance to watch current Olympic athlete, Katarina Johnson-Thompson in training. It was a really successful day and provided an opportunity for the boys to build on their leadership skills through practical and theory sessions.

Students with Olympic rower Toby Garbett

Year 7 & 8 students had the opportunity to take part in another writing masterclass last week.

The workshop challenged students to think outside the box and to employ their imaginative skills to develop the content and style of their writing.

THOUGHT OF THE WEEK

The sciences are the 'how' and the humanities are the 'why' - why are we here, why do we believe in the things we believe in. I don't think you can have the how without the why.
