Issue 1 | Autumn 2022

CLASS OF 2022

We are delighted with this year's GCSE exam results, which saw 54% of students achieving a grade 5 or above in English and maths and 70% achieving a grade 4 or above. Nearly a quarter of our students achieved top grades; a really impressive achievement! Well done to the class of 2022; we're proud of you and wish you all every success in the future.

Dian: 13 x Grade 9 and a Distinction* | **Hamid:** 7 x Grade 9 and 6 x Grade 8. Off to study computer science, maths, physics and further maths | **Yaseen** 8 x Grade 6-8 | **Tanbir:** 10 x Grade 9, 3 x Grade 8 and 1 x A*. Off to study biology, chemistry, maths and Spanish | **Aaryan:** 10 x Grade 9, 2 x Grade 8 and 1x Grade 7. Off to study maths, biology, physics and chemistry | **Ibrahim** 8 x Grade 9, 2 x Grade 8, 2 x Grade 7 and 2 x Grade 6. Off to study computer science, maths, physics and further maths.

Respect, Success, Passion for Learning, Personal Challenge, Harmony

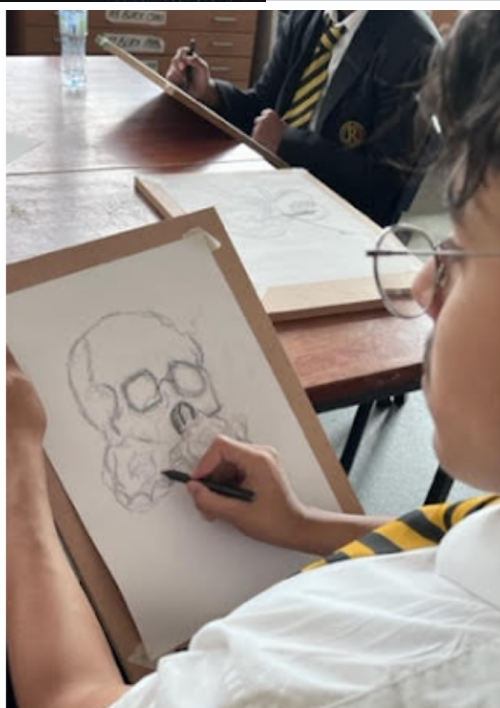

STUDENT EQUALITIES GROUP

Rokeby's Student Equalities Group (SEG) is a student led group that actively promotes healthy relationships in school. Last year students were involved in a number of initiatives including the Kindness Challenge and performances at our end of year concert. Their work was so successful that Rokeby was recognised by the organisation [Tender](#) as one of London's first Healthy Relationships Champion Schools.

Students in the SEG are rewarded for their efforts with achievement points, a badge for their lapel and invitations to school visits. Last term, students were invited to the to [Camden Roundhouse Theatre](#), where they were given an exclusive tour of the venue and had the opportunity to create their own podcasts with the support of experienced producers!

To get involved, see **Ms Cates** in F13. Meetings take place on **Tuesdays** after school from **3:00-4:00pm**.

TEXTILES AT ROKEBY

Year 9: Students now have the option to learn textiles in Year 9, which has been introduced to prepare them for the GCSE course in KS4. Students have risen to the challenge and started to master the art of embroidery, which they will use to make lanterns in a few weeks time.

Year 10: This group has had a great start to the year with the students creating some beautiful observational studies inspired by a collection of natural forms. These budding textile designers will go on to make cushions using their designs as inspiration.

Year 11: Students have started their most challenging project to date; making chore jackets. These jackets originated in France in the 1880s and were worn by labourers due to their functional design and long lasting materials. To develop patterns and inspiration for their designs, they created collaborative still life drawings to kick start their observational studies. Watch this space for their creations!

DARE TO BE THE BEST

YEAR COORDINATOR AWARD

w/c 12th September 2022

Proudly presented to:

**Anas Khan 7B - Husnan Abbas Gondal 8R - Saif Hossan 9K -
Abdimalik Farah 10K - Ashraf Amanyar 11E**

For displaying the characteristics of our school motto - well done!

MS WARD
