STUDENT LEADERSHIP

We are delighted to welcome on board our two Student Leaders for this academic year. Following rigorous campaigning and a Hustings Week at the end of last term, students voted in Tamzid (10B) and Khaalid (11O) to head up student voice in school.

The boys hit the ground running this term; they have already completed their first task of re-designing school ties for the student leadership body (junior and senior prefects). They have also met with the Senior Leadership team to outline their plans for the year and have provided feedback on school lunches. They are currently busy preparing for their first assembly, which will take place in a couple of weeks.

Tamzid: *"I am delighted to have been elected Student Leader. My purpose is to listen to students and to ensure school is enjoyable for everyone. I will try my best to fulfil students' needs".*

Khaalid: *"I believe Tamzid and I will be a great team. I have lots of ideas for positive change and I will work hard to achieve these goals".*

COME DINE WITH ME

Come Dine With Me, Rokeby style! [Juniper Ventures](#), the company behind our fantastic school lunches, invited a group of students to a taste testing session to try out a new menu for next term. The dishes included autumn tarts, jacket nachos, honey & soy noodles and Korean chicken wings.

Students gave feedback on each of the dishes - the chicken wings and carrot and cinnamon sponge seemed to go down a treat judging by the scores! We aim to provide a varied school menu and are committed to ensuring that it is healthy, meets all dietary needs and is, of course, super tasty. It was great getting students involved in the process.
