## Y8 TAKE A TRIP TO SPEAK WITH FCA PROFESSIONALS

On Thursday 26th January 2023, 30 year 8 students went to the FCA (Financial Conduct Authority) in Stratford. This was a great opportunity for students to learn from professionals about the skills needed in the world of work.

**Josh (8Y) and Ricardo (8Y) wrote:**

"We went to a large auditorium. We learnt about what skills people are looking for when hiring. The skills we discussed were time management, communication skills, learning technology and teamwork. The jobs we discussed were scientist, police officer, doctor, engineer, artist and writer. This was a really useful session and has made us think about the future."

The Place2Be is a children's mental health charity which has over 25 years' experience of working with students, families and schools across the UK.

Irina Stevens will be our Mental Health Practitioner, working two days a week (Wednesdays and Thursdays).

Irina will work with students who are struggling with anxiety, low mood or anger and will provide 1-1 and group counselling.

### What is Place2Talk?

Place2Talk is a self-referral service for students who have worries or concerns that they want to talk about. They can come alone or with a friend.

### When?

Place2Talk appointments are around 15- 20 minutes and take place during breaks and lunchtimes on Wednesdays and Thursdays. These need to be pre-booked. If your matter is urgent you should speak to the safeguarding team or your Year Coordinator.

### How?

Students self-refer by putting a request into the Place2Talk box located in the library. There are slips of paper next to the box where students need to put their name and year. I will be checking the box every week and then will be contacting the students to offer a session, which will normally be the following week. Students will be given a note if they have attended a session in case they are late for class, so the teachers will know that they have a reason for being late.

This new service compliments the existing counselling service.

## OUR ONLINE PAYMENT SERVICE

Rokeby is now accepting online payments for school items such as lunch money, uniform and revision guides. Using a secure website called [ParentPay](#) you will be able to pay online using your debit/credit card or make cash payments at PayPoint stores.

This system is easy-to-use and will give you peace of mind that your money reaches school safely. It will also offer you the flexibility of making payments at your convenience.

This week, you should have received a letter introducing ParentPay, followed by a further letter containing your **unique ParentPay activation details**. More information is available on our [website](#). We are planning on moving over to a cashless system and ParentPay will be our preferred method of payment.
