

Humanities Week 2023

P4C Leaders visit Pinsent Masons

On Thursday 15th June, seven P4C Champions and Mr Galoria went on a visit to Pinsent Masons law firm to attend a conference on Global Sustainability, with a focus on the fashion trade. We were able to hear from founders of sustainable businesses in the fashion industry, and were even able to create our own eco-friendly piece of clothing. The visit was very inspirational, knowing that we have the power to change the course of history through positive action, whilst also remembering that we can have a place in the corporate world. We were inspired, and left feeling very motivated.

Geodesic Globe / Dome in DT

During Health Awareness Week, KS3 students in Design and Technology created a geodesic globe of appreciation. Each student designed at least one triangle with something that they appreciate about life. The triangles were then glued together to create a sphere/globe, representing planet earth and all the joys to be had.

The first geodesic dome or hemispherical (half a sphere) structure was designed after World War I by engineer, Walther Bauersfeld. Bauersfeld worked for an optical company and designed the geodesic dome as a planetarium.

Y7, 8 and 9 Exams

End of year exams are starting next week. Year 7 exams will take place in their normal lessons and teachers will let students know the schedule. Year 8 students will sit their English and Maths exams in the assembly hall on Tuesday (P3 and P5). The rest of their exams will be in normal lessons. Year 9 students will sit their English and Maths exams in the assembly hall on Wednesday (P1 and P2). The rest of their exams will be in normal lessons.

Y10 Geography Fieldwork in Epping Forest

12th June 1991: A series of major explosions began inside Mount Pinatubo, a volcano in western Luzon, Philippines—its first eruption in 600 years.

16th June 1963: Soviet cosmonaut Valentina V. Tereshkova became the first woman to travel in space, having been launched into orbit aboard the spacecraft Vostok 6, which completed 48 orbits in 71 hours.

ROKEBY SCHOOL

Year 5/6 Open Morning

Saturday 8th July and Saturday 9th September 2023
10:00am - 12:00pm

Thank you for considering our school

“

I'm so glad my son went to Rokeby. They have supported me and my son every step of the way and have nurtured every bit of his potential.

- YEAR 11 PARENT

Rokeby's Open Morning was fantastic. We had lots of fun and the teachers are fabulous. I love it here.

- JORDAN YEAR 7

”

We run **Saturday Sports** school for Year 5 & 6 students.

Come to our **Open Morning** to find out more!

Respect | Success | Passion for Learning | Personal Challenge | Harmony

DARE TO BE THE BEST
