Issue 32 | Summer 2023

Gliding with WCCSA

A group of Y9 students had the wonderful opportunity to experience gliding this week. This was offered through our work with WCCSA (Worshipful Company of Chartered Secretaries and Administrators) and Cambridge Gliding Club. The students chosen were offered this as a reward for their behaviour and effort at school over the past year. What an amazing way to end the term for them!

'FOOTBALL IS ESSENTIAL TO GLOBAL HAPPINESS'

This week on Monday the Y7s took part in the much awaited Talk to Learn Debate involving the whole year group and it was a huge success.

The proposition team were:

Robiul 7R
Yahya 7R
Charan 7O
Tosif 7R

The opposition were:

Amjad 7E
Wais 7Y
Abdul-Azim 7E

ROK was against EBY and there were some outstanding arguments discussing the relevant and very topical issues of hooliganism and injuries but there were also points like the economic, mental and physical advantages of football and how it is all inclusive. A massive thank you to the amazing MCFL, Science and the PE departments for organising the debate and especially Ms Cates for preparing the students for Talk to Learn at lunch. Also thank you to the judges of that day: Ms Ward, Mr Smith and Mr Bahri.

Congratulations to EBY who narrowly won the debate with their strong arguments, points of information and ability to think on their feet as they answered some difficult questions from ROK and also to Charan who won the overall best speaker award!

Outstanding Group of The Year

The Teens and Toddlers programme by Power2 helps young people improve their wellbeing and school engagement in order to succeed at school and in life, through the experience of mentoring nursery children. We have had a number of Y10 students complete the 16 week course and achieve their national qualification in Interpersonal Skills (NCFE Level 1). One of our groups was lucky enough to win the Outstanding Group of the Year award. Thanks to everyone involved.
