

KS4 - GCSE TEXTILE DESIGN 2023/24

Project

Year 10

There is no year 10 cohort this year.

Project

Year 11

**Project 1  
'Engineered  
Garment'**

**May 1/2 term  
Year 10 -  
December  
year 11**

Students will be set a brief to create a worker Jacket from scratch.

Students will use their investigative skills to draw out key concepts from historical, political and social contexts to develop message and meaning within their final outcomes.

Patterns, motifs and colours will be influenced by the work of Jim Dine.

**Students will study:**

Pattern cutting  
Sewing - Hems, Buttons, Zips, Collars and pockets.  
Printing - heat press, screen printing, block printing  
Shibori dyeing  
Sashiko embroidery

**Externally  
Set  
Assignment.**

**January -  
May**

Students will begin their externally assessed assignment from the 15th January 2024 until their 10 hour supervised period.

The Textile exam (10 hour supervised period) will fall at the end of April / start of May (date TBC).

The externally assessed assignment is set by our exam board AQA in which students must create a body of work fulfilling all four areas of the assessment criteria;

**AO1 - DEVELOPMENT:**

Develop ideas through investigations through the means of; artist analysis, contextual research, mind maps and mood boards, artist responses.

**AO2 - EXPERIMENT & REFINE:**

Selecting appropriate media to explore, experiment and refine ideas that links to artists and themes studied in AO1/3.

**AO3 - RECORDING:**

Recording ideas insights and observations through sketching, photography and written annotation.

**AO4 - PRESENT:**

To present a meaningful and personal response that realises intentions and demonstrates an understanding of visual language.
