

The Baker Clause

Provider Access Policy Introduction

This policy statement sets out Rokeby school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. The Baker Clause stipulates that **schools must allow colleges and training providers access to every student in Years 8 to 13 to inform them about approved technical education qualifications and apprenticeships.**

Student entitlement

At Rokeby, all students in Years 7 to 11 are entitled to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point; to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships- through options events, assemblies, registration activities, individual careers advice and wider careers events; to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

A provider wishing to request access should contact:

Mr Adil Uddin

Telephone: 020 7540 5620 ext 127

Email: adil.uddin@rokeby.ncltrust.net

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak with students and/or their parents/carers. Please see our Careers calendar for the events that we are offering to the students.

Premises and facilities

The school will make the main hall, classrooms, other halls or meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader. Providers are welcome to leave a copy of their prospectus or other relevant course literature at reception for attention of the Careers Lead. This will then be placed in the Careers section of the school library, which is available to students.
