DARE TO BE THE BEST

Autumn Term - Rokeby Recorder Issue 4

Financial Conduct Authority Workshop

On Tuesday 11th November a group of year 8 students took part in the Financial Conduct Authority (FCA) workshop on My Finances. Students had to identify the differences between Wants and Needs and learn to budget their finances. Students also explored how to identify money scams and stay safe financially. One student commented, " the session was really interesting, I really enjoyed talking to the volunteers from the FCA"

Year 10 Students Attend Inspiring Careers Event at Leyton Orient Football Stadium

On Wednesday, 6th November, twenty Year 10 students had the exciting opportunity to attend a dynamic careers event at Leyton Orient Football Stadium. The event brought together a wide range of organisations, allowing students to explore diverse career pathways, enhance their confidence when speaking with industry professionals, and gain valuable insights into various sectors.

Exhibitors also showcased a number of current opportunities within their organisations, including apprenticeships, volunteering roles, entry-level positions, and training programmes. The event provided an excellent platform for students to start thinking about their future ambitions and the many possibilities available to them beyond college.

Comments from the students:

Johnny B 10R - "Today I enjoyed this trip because I got to see the different pathways for the future such as a police officer, estate agent etc. I learnt that I need certain qualifications to complete so I can work for companies such as TFL."

Hernani V 10O - "We really enjoyed our experience at Leyton Orient and got articles about different types of jobs you can do in the future. I was given more ideas since I didn't know what to do for work experience. We got to sit in the stadium by the football field too."

Amadou D 10Y - "We found the trip amazing as we all learned more information on different careers and how to get into them. For example, I learnt the path to becoming a GP, their yearly salary and how GPs are treated in the NHS."

INTRODUCING NATIONAL ENGINEERING DAY

2025

National Engineering Day aims to make engineering and the uk's engineers more visible by celebrating how they improve everyday lives and shape the world around us.

It's a day when we invite the public to marvel at engineering and inspire the next generation to pursue engineering careers.

However, most people can't explain what an 'engineer' is or does. This is why, on 5 November - National Engineering Day 2025 - we will re-engineer what it means - and could mean - to be an 'engineer.'

Re-engineer your curiosity of an 'Engineer'

How can you get involved?

Lunch time

Tuesday 11th G18, 1.20pm - 2pm:

Join the **DT Ambassadors**, in straw bridge challenge

Lunch time - Lunch and learn

Thursday 13th G18, 1.20pm - 2pm:

Meet Engineering superheroes
