

Sarah Bonnell School celebrates its 2023 GCSE Results

Students at Sarah Bonnell School including Aasiyah Hussain (Head Girl), Mauricette Nsilulu (Deputy Head Girl) and Abi'yah Enihoro celebrating their GCSE results with Ms Potter (Headteacher) Mr Leslie, (Chair of Governors) Ms Afreedi (Progress Leader) Ms Verdant (Governor), Ms Oloyede (Assistant Headteacher) and Ms Griffiths (Assistant Headteacher).

Headteacher, Rae Potter, said:

I am very proud of the students at Sarah Bonnell School - they are ambitious, kind and creative and have worked incredibly hard to achieve these GCSE results. Sarah Bonnell School is known for providing students with great qualifications and we are proud of ensuring that alongside this academic success we also empower them to develop as confident and compassionate young people.

Schools nationally were informed by Ofqual in September 2022 that national GCSE results in 2023 would be lower than last year as they returned to pre-pandemic grading. Ofqual advised that it will be most meaningful to compare this year's results with 2019, the last year that summer exams were taken before the pandemic. At Sarah Bonnell GCSE results have followed this national picture with significant improvements in all headline measures when compared to our pre-pandemic 2019 results.

There have been many impressive individual achievements with students securing places at our local Newham Sixth Form colleges as well as some of our partner Independent Colleges.

For example Raghad Abdin gained a perfect Attainment 8 Score of 90 by securing GCSE Grade 9 in all her GCSEs subjects. Raghad is going to study A Levels in English Literature, Science and Maths at Newham Collegiate Sixth Form.

Eli'annah Enihoro also achieved an excellent set of GCSE results including the top Grade 9 in English Literature, English Language, Maths, Biology, Chemistry. Eli'annah is now going to study at Queens College London - a prestigious Independent Day school for girls that has a special partnership with Sarah Bonnell School. Queens College provides three students every year an opportunity for a fully funded place to attend the college for Key Stage 5. Eli'annah was also part of the Sarah Bonnell Debate Team who successfully won the national championships this year !

Aasiyah Hussain also achieved impressive GCSE results alongside managing the additional responsibilities that came with being Head Girl. Aasiyah achieved ten GCSEs all Grade 9 - 7 and is going on to study A Levels in Chemistry, Psychology, Politics and Maths at Brampton Sixth Form College.

The school is very proud of all our students and wish them well for the next stage of their education and learning.
