Dear Parents / Adults with Parental Responsibility,

I am writing to provide an important update regarding the school closure planned for the upcoming Eid celebration.

As you know, the school is scheduled to be closed for all students and staff on **Friday 20 March**.

We understand that the exact date of Eid-al-Fitr is dependent on the sighting of the new moon and may potentially fall on **Thursday 19 March**, instead of the anticipated Friday. Although recent media reports indicate that this is unlikely.

Please be advised that regardless of the exact date on which Eid is confirmed, the school's planned closure for all students and staff will remain **Friday 20 March**.

Any student requiring an additional day of religious observance on Thursday 19 March will need to ask their parent or guardian to inform the school by sending them to school on Monday 23 March with a signed note explaining the absence. School will be open for all other students and staff as usual on this date.

We wish all members of our community celebrating Eid a joyous and peaceful time and look forward to welcoming everyone back on **Monday 23 March** at the usual time.

School closes for the Spring Holiday on **Friday 27 March** at the earlier time of 1215 and school opens for the Summer Term on **Monday 13 April** at 0800.

Yours faithfully
