# SUMMER 2024 ORDERING GUIDE

**ORCHARD**  
SCHOOLWEAR

June / July - the green zone - most items will be in stock and orders will be despatched quickly, plenty of time to return wrong sizes and re-order.

Early August - the amber zone - customer ordering is high by this point so it may take a little longer to get orders despatched.

Late August / Early September - the red zone - customer ordering will be at its peak and we will be working very hard to ensure orders reach you before the start of term.

REMEMBER: 26th August is a bank holiday and delivery companies will not be working so expect delays at this time.

Our delivery companies deliver Monday - Friday only and will not leave safe unless you tell them to on the email that you receive after despatch. Please ensure you tell them about delivery instructions once you receive that email

## WONDERING WHEN TO ORDER?
