We respectfully ask for your support with the following considerations: extreme hairstyles and over-elaborate hair accessories are inappropriate for our first school setting. Only stud earrings are to be worn and should be avoided on P.E and outdoor learning days - we have a flexible timetable, however, and therefore any earrings worn will be protected with medical tape during active lessons.

To enable our staff to respond to the needs of the children most effectively, **please ensure outdoor learning clothes are in school every day**. It is advised that uniform, particularly footwear, is checked on a half-termly basis to ensure everything fits.

It is very important that *all* uniform is named so that it can be returned to you easily if misplaced.
