Dear Parents,

We are aware of two videos currently circulating social media which show extreme and graphic violence. These videos are connected to the shooting of Charlie Kirk and the fatal stabbing of a woman in America

We know it is difficult to always monitor our children's internet usage but please be particularly vigilant this weekend.

If you have any questions or need advice on how to support your child if they have been affected by these videos I have attached some links of where you can look for support. In addition to this you can contact school and we can support you or direct you to help.
