

## **C28 Prom - 2026**

### **XP and XPE Schools**

Dear Parents / Carers,

We are writing with details of the Prom for C28 that is taking place at **The Hilton Garden Inn**, Doncaster, on **Friday 3rd July 2026** starting at **6pm**.

Hopefully, you will have already seen via school blogs, parent updates and Facebook posts that fundraising to help make the night as memorable as possible has already started. The Christmas PJ day, raffle and breakfast sale raised £363.89 which has contributed towards the deposit for the venue and to each Crew having a fundraising challenge to make £10 grow.

We want pupils to have THE best end to their time at XP / XPE by having a say in their Prom. They have already chosen the venue, supported fundraising events before Christmas and we will ensure they have a say in more decisions, about the night, as planning and fundraising continues.

### **Tickets**

Ticket sales start on Monday 19th January 2026. Tickets are £40 which covers the cost of the venue (including room hire, food, DJ, red carpet). **Payment is needed by Friday 27th March 2026**, at the latest, so we can pay the venue and confirm numbers attending. Please make cash payments to the schools' office.

A number of funded tickets will be available if needed. E.g., families in receipt of Pupil Premium. Speak to Miss Vayro about funded tickets who will deal with requests confidentially and anonymously.

Tickets will be issued in April. Pupils must bring their ticket to the Prom for entry.

## **Dietary Requirements**

The office who will keep a record of pupils dietary requirements where relevant. Please ensure these are shared at the time of purchasing tickets so the information can be given to the venue in time.

## **Prom Updates**

If you are on Facebook, please join the XP / XPE Prom 2026 private group for regular updates. We will also communicate via school's blog posts and parent updates so make sure you are signed up for these. Further fundraising will happen over coming months - please keep a look out for communications about this and how you can help.

We hope your child is looking forward to attending Prom to celebrate themselves and each other before moving onto their next chapter!

Thank you for your support.

C28's Prom planning Crew.
