

Literacy, communication and language

We will be extending children's vocabulary by explaining unfamiliar words and concepts.

Children will encouraged to;

- Listen to stories
- Retell a past events
- Join in with repeated refrains phrases in rhymes and stories
- Give meaning to marks as they draw, paint and write.

We are reading:

Understanding of the world

We will be using all our senses in exploring the world around us by:

- Talking about our own experiences
- Describing special times and events such as birthdays
- Showing interest in people who are important to us
- Understanding the need to respect and care for the natural environment and all living things.
- Learning how to operate a computer device such as an ipad or controlling beebots

Through games and stories we will be:

- Using number names and number language
- Reciting numbers in order to five
- Counting how many objects there are
- Playing with shapes and making arrangements with objects.
- Finding familiar shapes in our environment

Physical development

To develop physically we will:

- Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills.
- Go up steps and climb up apparatus, using alternate feet.
- Skip, hop, stand on one leg and hold a pose for a game like musical statues.

PSED

This term through a range of different activities, children will learn to:

- Show more confidence in new social situations.
- Select and use activities and resources
- Play in a group
- Invite other children to play with them
- Share toys and equipment
- Express needs and preferences.

Expressive art and design

- We will explore different materials freely using construction materials to make homes for animals
- We will be expressing ourselves by: dancing and moving like animals and sing songs about jungle animals
- We will explore colours and how colours can be changed using paint, coloured water and light.
