1. Equalities information and analysis report

1.1. Introduction

[Newham Community Learning](#) is an education charity that runs Selwyn (and Portway) Primary Schools in Newham. We are a public body, funded directly by the Department for Education, and we exist to advance education for the public benefit. We use our allocated funds to provide our students with rich learning opportunities and the right care, guidance and support to help every child reach their fullest potential.

1.2. Our public sector equality duty

As a public body, we must comply with the public sector equality duty in the Equalities Act 2010. This means that we:

- Publish a set of equality objectives on our website (see the [Policies Page](#)), which are updated every 4 years, and
- Provide an annual report as to our progress towards the achievement of these objectives (this report)

1.3. Our reporting against our objectives

We are required to demonstrate the annual progress that we have made in the following three areas, all of which are addressed in our Equality Objectives document:

- How we are advancing equality of opportunity between people who share a protected characteristic and people who do not share it (objective 1);
- How we are fostering good relations across all characteristics - between people who share a protected characteristic and people who do not share it (objective 2); and
- How we are eliminating unlawful discrimination, harassment and victimisation (objective 3).

This document explains the objectives we have set ourselves in order to promote equality, and (a) details what actions we have taken in order to meet these objectives and (b) how successful this action has been.

1.4. Our trust wide Equality Statement

Selwyn Primary School is committed to ensuring equality of opportunity in line with the Equality Act 2010. We want to reduce disadvantages, discrimination and inequalities of opportunity, and promote diversity in terms of our students, our workforce and the community in which we work.

We will assist our students in achieving their very best potential. Where students experience barriers to their success we will work with them to address these in a sensitive and sympathetic way. We will teach our students the importance of equality and what forms discrimination can take and the impact discrimination can have. We will also encourage our students to make their own commitment to promoting equality.

We will not discriminate on any of the grounds listed below (known as the Protected Characteristics) save where such discrimination is permitted by law. Examples of permitted discrimination are:

- A school may arrange pupils in classes based on age.
- A school may take positive action to deal with particular disadvantages affecting pupils of one racial group if this is a proportionate means of dealing with the issue.

The Protected Characteristics that apply to schools are:

- Age (in relation to staff only);
- Disability;
- Gender re-assignment;
- Marriage and civil partnership (in relation to staff only);
- Pregnancy and Maternity;
- Race;
- Religion Faith or Belief;
- Sex; and
- Sexual orientation.

As a School Trust and employer we will also not accept any of the following:

- Direct or Indirect Discrimination;
- Harassment; and
- Victimisation.

We will comply with the Public Sector Equality Duty giving due regard to that duty when making decisions, taking actions, and developing policies. In line with specific duties under the Equality Act 2010, we will publish our equality objectives and will publish information about how we are complying with the Public Sector Equality Duty (this document).

Published Information will be updated annually and objectives will be updated every four years. This information is available on our Trust website.

1.5. Our objectives and our progress against them

1.5.1. Advancing equality of opportunity

<i>What objectives have we set ourselves?</i>	<i>What actions have we taken to deliver these objectives?</i>	<i>What evidence is there that these actions have been successful?</i>
To identify under-achieving groups of students and design appropriate interventions.	Our robust tracking and reporting systems means we have been able to identify groups that would benefit from targeted additionality, and have trained staff to deliver these. Half termly pupil progress meetings provide opportunities for all class teachers to discuss the progress of the children in their class.	-Additionality has been in place across all year groups enabling children to narrow the attainment gap
To ensure that extra-curricular provision is accessible to all.	<ul style="list-style-type: none"> -Clubs were offered in the summer term when restrictions for the delivery of extra-curricular activities were lifted -Full opening of schools: clubs offered each half term with a wide range of activities for children from Reception to Y6 -Clubs are advertised & allocated via parentmail and waiting lists are in place -Clubs are also shared on the school's newsletter -Our strong financial controls mean that our Charging and Remissions Policy (published on our website) states that there is no charge for any such provision. -We have a number of specialists delivering these clubs, eg. sport. 	<p>Our extra-curricular clubs are well attended, and receive positive feedback</p> <p>Waiting lists are in place for most clubs</p>
To ensure that students and families have a voice at school.	Our local governing body terms of reference specify the appointment of two parent governors. We have a system of student leaders, elected by their peers. Staff, student and parent surveys are run annually, and results fed back to our Trust Board.	The local governing body includes two elected parent governors. Children from Y1 - Y6 are able to effectively represent their peers. Staff surveys have been successfully used to implement next step planning.

<p>To continue to focus on attendance and its link to learning outcomes, and to enforce our zero tolerance approach to term time leave.</p>	<ul style="list-style-type: none"> -We analyse attendance, across every class, weekly. -Throughout the global pandemic, COVID related absence was closely monitored -We publish the attendance of every class in the weekly newsletter, and celebrate good attendance. 	<p>Attendance continues to improve. Attendance after school closures improved rapidly. Requests for term time absence continue to decline, and are all treated</p>
---	---	--

	<ul style="list-style-type: none"> -We reward the class with the best half termly attendance. -We explain to parents why we do not authorise term time absence. 	consistently.
To ensure that girls and boys both participate equally in sports offerings.	<ul style="list-style-type: none"> -During directed sports lessons, we employ specialists who are able to ensure that boys and girls participate fully. -During un-directed time (eg. at break times), staff are on hand to supervise and are trained to ensure that any games played are inclusive. -Instalment of new fixed playground structures in three outside spaces 	<ul style="list-style-type: none"> -All children actively participate in PE lessons -The installation of equipment which encourages physical activity at a range of levels has been praised by pupils and parents
To ensure the involvement of parents in school development.	<ul style="list-style-type: none"> -Throughout the closure of schools to most pupils, communication with parents was increased through the use of parentmail and Google classroom -School website is regularly updated -Social media has been used to reach out to target families -SEND and vulnerable pupils received additional communication during the school closures -Parents are represented on our school governing body. -Annual parent surveys mean that we can identify areas for development. 	<p>Our governing body has two parent governors in place. They are clearly identified on the website, meaning that parents across the school can contact them.</p> <p>Positive feedback from parents received regarding communication during school closures</p>

1.5.2. Foster good relationships between people

<i>What objectives have we set ourselves?</i>	<i>What actions have we taken to deliver these objectives?</i>	<i>What evidence is there that these actions have been successful?</i>
To promote opportunities for parents, carers and the wider community to support both the children and themselves.	<ul style="list-style-type: none"> -Due to the restrictions regarding social distancing and meetings indoors, 'in-person' parent groups have not been permitted for most of the year -Virtual coffee mornings twice a week provided for families to meet needs identified by parents -Return to 'in-person' support groups planned for the new year 	<ul style="list-style-type: none"> -Uptake of virtual coffee mornings received positively by those parents that regularly attended -Parents pleased that the topics covered were those that they had chosen and so were relevant to need

<p>To enable students and parents to provide regular feedback about their school.</p>	<p>We have run a staff, student and parent survey annually, over the past three years. Members of our senior leadership team are available every day at the school gate, at both the start and end of school.</p>	<p>Responses from the surveys continue to show increases in satisfaction, from a high baseline.</p>
---	---	---

<p>To enable parents and the wider community to feel part of the school.</p>	<p>Due to national restrictions we have been unable to welcome parents onto the school site. To ensure that we continue to include parents in the school activities, we have:</p> <ul style="list-style-type: none"> -Recorded class and end of year assemblies -Shared the school sports days -Provided weekly newsletters about the events taking place in each class -Welcomed parents of children with SEN to join live learning sessions 	
--	---	--

1.5.3. Eliminate unlawful discrimination, harassment and victimisation

<i>What objectives have we set ourselves?</i>	<i>What actions have we taken to deliver these objectives?</i>	<i>What evidence is there that these actions have been successful?</i>
<p>To ensure that all parents are carers are well informed about the ways in which students access the internet.</p>	<ul style="list-style-type: none"> -We have an IT Director working across the Leading Learning Trust, who ensures that our provision in this area is excellent. -We adopt current best practice in our Acceptable Use Policies (for staff, students and governors/trustees) -Our weekly newsletter contained a section on Safety throughout remote learning -E-safety session run virtually for parents during remote learning 	<p>Safeguarding, in-particular online safety is a regular feature of the weekly Selwyn Life newsletter.</p> <p>Attendance at e-safety workshops has continued to grow, with feedback collected on the day being overwhelmingly positive.</p>
<p>To raise awareness of all forms of discrimination, harassment and victimisation.</p>	<ul style="list-style-type: none"> -We have a robust, regularly reviewed, Behaviour Policy and Anti-bullying Policy in place, both of which are regularly reviewed and are published on our school website. -Our 5Cs (care, commitment, cooperation, courtesy and consideration) are continually discussed, in the classroom and in the playground. -Weekly awards are published in the newsletter. -Raffle tickets issued to children who are observed positively demonstrating these behaviours at lunchtime -We have committed to the wellbeing of our students and our staff through our journey to accreditation through the Wellbeing Award for Schools. -We have appointed an E4C ambassador 	<p>-Our school displays were recognised in the E4C newsletter</p>

<p>To regularly monitor the curriculum to ensure that it provides a rich and stimulating</p>	<p>Having continually reviewed and refined how we teach the maths and English curricula, we are continuing to develop the richness of our curriculum across ALL subjects.</p>	<p>At our recent Ofsted inspection (March 2019), our school was graded Outstanding across all</p>
--	---	---

<p>learning experience for all our children.</p>		<p>categories. Our curriculum was praised for its breadth, as was our excellence in the teaching of maths and English.</p>
<p>To ensure that all teaching is of the highest quality, so that every child has the best possible chances of success.</p>	<ul style="list-style-type: none"> -Our termly Head teacher’s report, as well as our annual CEO’s report, contains an assessment of all our teachers. -Our Trust Road Map, which guides the development of our Trust and schools, and which is published on our website, has a strategic objective around achieving excellent teaching across every subject, in every classroom. -Our Offer to Staff, published on our websites, clearly outlines the way in which the Trust and our school supports their continued professional development. -Staff are supported by our Trust wide programme of Wellbeing, and our journey towards accreditation under the Wellbeing for Schools Award. 	<ul style="list-style-type: none"> -Both progress scores and end of Key Stage 2 results, including those students reaching the ‘greater depth’ level, are excellent. - Disadvantaged students make progress as good as their peers. -When surveyed, parents commented positively on the standard of remote learning provided for their children

This report is published on our website and is updated annually as we track our progress against our Equality Objectives.
