

Work undertaken by the School Council - report back

- **Food bank** - In October, the School Council worked really hard to promote an appeal for one of our local food banks. With the help of the Selwyn community, we were able to raise a trolley-full of goods which were donated to the foodbank.

- **Remembrance Day** - In our first week back after the half term break, the School Council went straight back into their duties to sell poppies and other poppy-related goods. Despite the rainy afternoons, the school still managed to raise a lot of money for the Royal British Legion.

- **Children in Need** - In week 2 of Autumn 2, the school raised awareness of Children in Need day. Working closely with the Head Children, the school council was able to promote the charity and get children into school dressed in their Pudsey outfits and spots. Click on the picture below to
