## Maths

### Shape

- Know angles are measured in degrees: estimate and compare acute, obtuse and reflex angles
- Compare and classify geometric shapes based on their properties
- Name parts of circles, including radius, diameter and circumference and know that the diameter is twice the radius

### Geometry

- Draw and translate simple shapes on the coordinate plane, and reflect them in the axes.

# Spring 2 Curriculum

## Physical Education (PE)

This term your PE will be on:

Fundamental Focus	Seated balance Floorwork
Sport Specific Focus	6H: Netball/Football 6B: Swimming
Whole child focus	Learning to: Variety and disguise
	Learning about: 6H: Mechanics of the body 6B: Water safety

## Music

As well as continuing violin and reading music on the staff, Year 6 will begin another project with the LSO, learning music inspired by American composer Copland

## PSHE

In PSHE year 6 will be learning about healthy lifestyles:

- Taking responsibility for their health
- Making choices that will benefit their health well-being
- Thinking about decisions that may put them in a vulnerable position.
- Understand mental health and what it means to be emotionally well.

## Religious Education

- Explore various interpretations of the Easter story and the sources shaping people's understanding.
- Analyse how artists depict themes of Jesus' death and resurrection as described in the Gospels through visual representation.
- Investigate alternative narratives that explore themes similar to those found in the Easter story.
- Discuss whether Easter marks the conclusion of the narrative and its implications within Christian theology and belief systems.

- School Careers Day
- Online Career Workshop

## Curriculum Enrichment

## DT

- In DT this half term Year 6 will be constructing a toy boat.
- They will research historic and contemporary boat design and be introduced to the principles of how forces including aerodynamics act on a sailing boat.
- Children will experiment with and test materials and structures, create design drawings before developing a final design.
