

Literacy, communication and language

We are reading:

By reading fantasy and adventure texts, we will learn how to:

Listen to and retell stories

Ask and answer a range of questions about a story

Write some recognisable letters and words

Write a range of text types including letters, invitations and posters

Understanding of the world

We will explore the world around us by:

Finding out about what makes us the same and different to others
 Observing changes such as the changes in the weather and the appearance of trees and plants
 Talking about why things happen and how things work
 Exploring electronic devices eg: ipads

In gardening we will:
 plant seeds and bulbs so children observe growth and decay over time

Physical development

In free play we will:

Move in a variety of ways such as jumping, crawling and hopping
 Throw, catch and kick balls of different sizes
 Run with the ability to negotiate space, changing speed and direction
 Use a pencil with control

PSED

Through a range of different activities, children will learn to:

Share toys and equipment with each other

Involve other children in their play activities and games

Expressive art and design

We will learn how to:

Explore different materials freely, to develop their ideas about how to use them and what to make
 Begin to develop complex stories using small world

In Music Lessons, we will:
 Remember and sing entire songs
 Play instruments to express their feelings and ideas
 Explore how we can change sounds when we use instruments

Mathematics

Through games and stories we will:

Say one number for each item in order: 1,2,3,4,5
 Use positional language (on, under, next to, on top)
 Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5
 Talk about and explore 2D and 3D shapes
 Compare quantities
 Physically add and take away objects
