Everyone valued. Everyone included. Everyone learning.

17th March 2021

Dear Parents and Carers

RE: Comic Relief Friday 19th March

On Friday the 19th of March, our learning community will be participating in the 'Red Nose Day' celebrations.

This is a meaningful opportunity for all learners across our community to develop their knowledge and understanding about the charitable work completed by Comic Relief. Our children and young people across different departments will have the opportunity to make a positive contribution to both the needs of their peers in wider communities and to global communities across the world.

The focus of the day will be on inclusive and collaborative learning to support the work of comic relief, and our learners will enjoy and experience a broad range of inclusive learning activities, both in their classrooms and virtually throughout the day.

All children and young people are welcome to come to school wearing something red if they wish and we ask any personal donations are made via the Comic Relief website:
www.donation.comicrelief.com

Due Covid safety measures, we won't be able to accept any coin or note donations.

We look forward to supporting this important charitable event with your young person.

Kind regards

Department Leads and Co-ordinators.
