

Dear Parent/Carers

25<sup>th</sup> March 2021

I hope this e-mail finds you and your families safe and well. I would firstly like to thank you for all your support at this difficult time.

I am writing you to share some information about the Learning Community Trust's Food bank project. This is a great initiative that enables the Learning Community Trust to offer a little extra support for those families in our community who need a little help.

We are asking that any families who can or would like to, to donate items from the list below, which will be donated to the food bank. These are items that are currently most in need.

- Tinned stew
- Tinned curry
- Tinned burgers
- Tinned hot dogs
- Tinned meatballs
- Tinned corned beef
- Diluting squash
- Fray Bentos pies
- Jam
- Pasta sauce
- Basmati rice
- Baby wipes,
- Washing up liquid
- Deodorant
- Shower gel
- Toothbrushes
- Toothpaste
- Shampoo
- Soap

If you planning to donate you can visit the Drive Thru Foodbank on Saturday 27<sup>th</sup> March (see details below).

I will be working with Learning Community Trust to see how the food bank imitative can support our Severndale community.

Kind Regards

**Paddy Jones**  
**Assistant Principal**

## Spring Drive-Thru Foodbank Donation Day

**Saturday 27th March 10am-2pm**  
**Woolpack Car Park, Shawbirch**

**Drive in, pop your boot, drive out**  
**Helping others from the safety of your car**

A couple of tins, a bag or a whole car boot collected from friends and neighbours, whatever you can donate will be gratefully received
