St Francis Xavier's College strives to build a Catholic Christian community of love and respect, to educate young people to meet the challenges of life confidently, to develop their unique talents to the full, and to live out the values of Christ and his Gospel.

***Jesus came that we might have life,
“.....life in all its fullness.” John 10:10***

St Francis Xavier’s College is a Catholic community that aims to actively live out its mission statement. This policy aims to help all stakeholders live out the Gospel values as given by Jesus Christ in The Beatitudes.

These reveal the goal of human existence and are the objective values as given by Christ:

- Forgiveness & Mercy
- Truth & Justice
- Tolerance & Peace
- Dignity & Compassion
- Purity & Holiness
- Humility & Gentleness
- Faithfulness & Integrity
- Preferential Option for the Poor & Vulnerable
- Sanctity of Life & Care for God’s Creation
- Solidarity & The Common Good
- Charity & Subsidiarity
- Distributism & Social Justice

Since the foundation of St Francis Xavier’s College in 1842 by The Society of Jesus and under the Trusteeship of the Order of De La Mennais these values have formed the basis of all relationships. All adults that have chosen to work in this community must ensure that they fulfil their mission of Catholic education by displaying, modelling and promoting these values.

All who work in a Catholic school must conduct themselves in a way which does not conflict with the “precept” and “tenets” of the Catholic Church and are bound by their contractual obligations “not to do anything in any way detrimental or prejudicial to the interest of the Catholic character of the school”.

Every individual in a Catholic school, most especially the students, have the entitlement to be treated with the love, respect and dignity that comes from being a child of God, born in the image of Christ.

This policy has expectations for all that are rooted in these Gospel Values and conform to the teaching of the Catholic church. The implementation of these policies should demonstrate the importance of personal responsibility and the need for justice but also facilitate healing and reconciliation.

**Applications to the College will be acknowledged within two weeks of receipt.
Should you not receive an acknowledgement you must contact Mrs Gardner at the College.**

Parents must complete the Local Authority application form. Parents who wish their application to this Catholic School to be considered against the priority faith criteria should also complete this Supplementary Information Form. If the school is over-subscribed, failure to complete this form may result in your application for a place in this school being considered against lower priority criteria, as the Governing body will have no information upon which to assess the application on the basis of the applicant's baptism and or membership of a faith community.
